KNIGHT PARK MAINTANCE

GRAFFITI REMOVAL

NOTES

Request Description: Graffiti at Knight Park playground and landscaping. There has been sharpie- written graffiti at Knight park for the last few weeks. It is of a vulgar nature if it would be cleaned up, it would be appreciated. The last few weekends were warm enough that families were coming out to play and it was disappointing to see the playground vandalized in such a way. The playground is also in much need of leveling and mulch. I hope that these issues will be addressed soon. Thank you.

KNIGHT PARK MAINTANCE

NOTES

Request Description: The playground area in Knight Park has a "car wash" that has 2 buttons that turn on misters which are WONDERFUL in the summertime. WONDERFUL! But by the end of last summer, only 1 of the buttons worked, and sporadically at that. I realize it's not a top priority but it would be really great if someone could repair the misters at the playground. It's the only playground in this area that has anything like that. Pretty please!

NOTES

Request Description: Knight park playground has become unsafe with the lack of mulch as a protective fall surface under and around equipment. There is also addition trash receptacles needed. I would like to see this space become safer and cleaner for us and other neighbors.

 KNIGHT PARK MAINTANCE

NOTES

Request Description: The party gazebo at knights park was left a disaster on saturday, i was in the park on sunday and saw the mess. The "renter" from the previous day (party for a 1 year old), left balloons all over the gazebo (which also flew away to the lawn and the pond), food on the floor (shrimp and pasta and cake), tooth picks, burnt out coals and trash all around the trash can area(outside can). I found the party invitation card with the hostess name. Nalasia ~~XXXXXXXXXX~~ party was on 8/13/16 at 4-7pm
 I dont need a notification for these request, i just wanted to let you know of the state the place was left by them.

GRAFFITI REMOVAL**NOTES**

Request Description: Hi, I noticed some racist graffiti on the small playground at Knight Park yesterday evening (sample attached). I sent an email to the address on the Knight Park website (kpinfo@knightpark.org) but my message got bounced back. I hope the graffiti can be removed--looks like it was done with a Sharpie. I'll bring some cleaning supplies back with me this weekend, but I'm not sure I have strong enough stuff. Thanks!
