Joe,

I just reached out to my attendance person, here is the story with the B [REDACTED]:

- 21/22 both J [REDACTED] (10) and S [REDACTED] (7) B [REDACTED] were registered at Delsea from Newfield – **what address in Newfield did they have on file for these students?**
- On 1/24/22 they became displaced, in Vineland Hotel, but still attending Delsea – **what documentation do they have of this displacement? Is there a McKinney-Vento form or any other documents, notes, emails, etc. Is the “Vineland Hotel” an actual hotel? If not, if possible, please indicate the name of the hotel(s) they were provided at the time.**

- March '22 through June '22 on roll but did not attend school **Was there any communication with the mother during this time?**
- June 6, 2022 Mother signed the kids out due to permanent residence in Deptford **what documentation do they have of a residence in Deptford? At what address there?**
- Delsea reached out to Deptford to forward records students not registered
- Delsea reached out to DCPNP to notify them that students were NOT in school
- October 17, 2022 J [REDACTED] showed up at Winslow (living with aunt)
- November 16, 2022 S [REDACTED] showed up in Winslow (living with aunt)
- Delsea forwarded records to Winslow for J [REDACTED] on 10/6/22
- Delsea forwarded records to Winslow for S [REDACTED] on 11/2/22
- Winslow notified Delsea on 12/22/22 that these kids were "homeless"
- Aunt applied for Custody of the kids in Nov 2022

So it appears we will have to fight as to who these kids belong to.

Good Afternoon Danielle,

One appears to be homeless starting October 17th and the other a month later November 16th. Do you have access to these student records to see where they were registered on October 15th and who would have claimed these students on the ASSA?

Thanks,

Good Afternoon Kerri,

I received this information from Winslow Township regarding a potential homeless situation involving 2 of my students. When you look at the McKinney Vento forms, it appears that the family sold their home without having another one in mind to purchase and moved in with the sister. To me this does not appear to be a McKinney-Vento situation.

Just looking for any opinions or advice you might have on this matter before I respond to them.

Thanks,
Joe

You will be the first to know when we receive the approval of the grant.

I apologize if there was any misunderstanding, but as I referenced yesterday the gathering of information and planning has begun for the study.

Delsea is still waiting to get the official word in writing of the approval for the grant. There has been a verbal that it will be approved.

As there has not been the official notification from the state, there is no contract to do the study as of yet.

We plan on continuing to gather information in preparation of the official notification.

I hope this clarifies where things stand.

Good Evening Mr. Lindenmuth

I am the business administrator for the Newfield Board of Education. This morning you called and spoke to me about the LEAP Grant and Feasibility Study for the Delsea Board of Education. As you mentioned on the phone the study had not started yet as the grant had not been approved. I informed you I was going to share that information with my Board at tonight's meeting.

I shared that information with the Board and Mr. Walton who was present got up and abruptly questioned my conversation with you, during someone else's public comment turn and potentially put my credibility with the board at risk.

As per our conversation my understanding is that the feasibility will not begin until the Delsea LEAP Grant application is approved.

Can you confirm in this email whether or not the study has begun.

Thanks,

Joe

I am the business administrator for the Newfield Board of Education. This morning you called and spoke to me about the LEAP Grant and Feasibility Study for the Delsea Board of Education. As you mentioned on the phone the study had not started yet as the grant had not been approved. I informed you I was going to share that information with my Board at tonight's meeting.

I shared that information with the Board and Mr. Walton who was present got up and abruptly questioned my conversation with you, during someone else's public comment turn and potentially put my credibility with the board at risk.

As per our conversation my understanding is that the feasibility will not begin until the Delsea LEAP Grant application is approved.

Can you confirm in this email whether or not the study has begun.

Thanks,

Joe

I reread the letter several times and I am not getting what you are saying (highlighted below). The president's letter states: "...the Board cannot in good conscience hold off further consideration of this option. Newfield simply is not in a position to wait additional two-plus years to place this important question before its voters." This appears that the Board president made a decision on behalf of the full board. Please show me where I am wrong.

Good Morning Peg,

As promised, here are the two letters that are mentioned in the letter to the commissioner. It does not indicate that the Board is unwilling to work with Delsea or Franklin; it's saying that it needs to take into consideration the results of the Pittsgrove Study. The Board has taken no action on the Pittsgrove Regionalization Study yet.

Please reach out if you have any questions after you review.

Our motto:

Engage parents, students, teachers, administrators, residents, taxpayers and other stakeholders in the battle we face in order to broaden and grow our power-base. Illuminate and illustrate why local school boards and school board elections are important.

Educate the stakeholders so they have factual information and can distinguish and discredit campaigns of disinformation, propaganda and conspiracy theories, while gaining the knowledge needed to make informed decisions about the actions of their local school board and their school board candidates.

Collaborate by creating groups in individual districts, and by county, to grow power bases that appear and speak at local school board elections and remind school board members of their ethical, legal and sworn, under God obligations to every resident, parent and student. Create alliances with other like-minded organizations so we do not duplicate the work and promote our cause in an efficient and effective manner.
