Paula,
I thought that Tricina was going to get you that information.
Donna

Donna:

Are you able to pick up the facts from the Main Office?
I would like to start posting a fact every week on our FB page.

Thanks

Hi Elizabeth,

I was able to make a copy of the fun facts and left them in a folder in the main office for pick-up. If time allows, I can try to walk it over next week.

Sincerely,

Tricina

Dear Tricina,

I don't think Paula wants to add facts; my understanding is that she wants to use the ones Sue already prepared. To save you time, do you think Sue would be willing to copy the binder pages at school and bring them over to the municipal building?
If you think she would, I can contact her-

Thank you-
Elizabeth

Hi Elizabeth,

Thank you for your email. The list of facts is currently in our main office in a binder. Middle school student representatives are reading a fact a day each morning until March 12th. I would be happy to add facts to this book if you could send to me via email or drop off a print copy. At this point, I could make a copy of the information and walk over to the building. I would have to scan all pages to submit, which would be very timely.

Thank you for your interest,

Tricina

Dear Tricina,

I hope you and your family enjoyed a happy and healthy Christmas and New Year. No doubt you've jumped right back into school mode after a bit of a break, so I'll keep this note brief.

At our committee meeting today, Donna Casey asked if I knew the various facts Sue Keiss put together for the 100 days of facts project at school. I recall Sue making up index cards, but I don't recall which facts she chose from her binders. Donna told me that Paula Kosko would like to include the facts in some of the township publications. If you have a document that lists the 100 facts, would you please email it to Paula when you get a chance?

Thank you-
Elizabeth
