Happy Sunday!

The Home Language Survey is part of the registration packet, so it doesn't pop up individually on the site. I attached the survey that Hainesport uses. If you need anything else, please let me know.

Enjoy the sun!

Hi Erin,

As you know, I am compiling a Diversity, Equity & Inclusion Profile for SJ. I just had an interesting conversation with Commissioner Balvir Singh about Hainesport's growing Punjabi population, and he mentioned that the school is required to do a Home Language Survey before admission.

I know you are on the board, so I wondered if it was something you had access to, and that you might be able to share with the Green Team. Balvir said it is supposed to be public knowledge but I couldn't find it online.

I hope you are having a great weekend.

Warmly,

Anna
