Subject: RE: OSC File Number 24-634 - Gloucester Township Wastewater Referendum Sale (Pre- Advertisement Review)

Good Afternoon Megan,

Thank you for your email. Please let this serve as clarification that OSC's May 15, 2024 email was not intended to function as an "approval to proceed" email, but rather notification that OSC does not object to the release and/or advertisement of the procurement documents, so that Gloucester Township is able to proceed with the procurement at its own risk. Additionally, as noted in the May 15, 2024 email, OSC's determination with regard to compliance of the procurement documents is not intended to constitute OSC's approval of the procurement process. Please be guided accordingly.

Warm Regards, Alysia
