Thank you, Carl. Just for now, would you be able to give us the total loss from all years combined?

Hi Christine,

I spoke to the CFO, he still doesn't know at this time how he will be refund CIBA. He is looking at different ways on borrowing, I think once the budget is introduce in March, he will be looking at this next.

Sincerely,

Good Afternoon Carl,

I am in the process of calculating debits and credits for appeals finalized in 2019 for 2020.

We received a State Tax Court Judgment for Ciba Specialty Chemicals Corp., Block 411 Lot 6; BASF Corp, Block 411 Lot 6.01. As I understand, the refund in taxes will be over the course of a 5-year period. Would you be able to provide us with a spreadsheet that details the amounts to be refunded each year? We were able to get this information from another town who also did multiple year refunds so that we could credit according to their timeline.

Please let me know at your earliest convenience when I can get this information.

Thank you,
Christine
