Dear Mr. Anthony,

The Municipality of Princeton received your Open Public Records Act (OPRA) request on August 28, 2023. As such, the seven (7) business day deadline to respond to your request is September 7, 2023. An extension was then granted until Friday, September 15, 2023.

We are still the process of reviewing information for the following request:

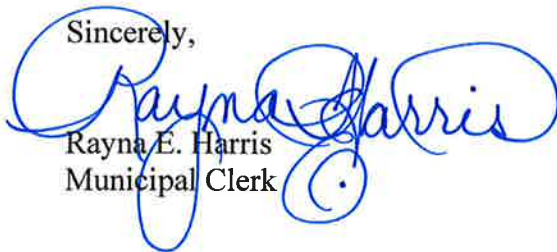

“a copy of all communications (emails, text messages, phone calls, and or any other way) between Director Michael Yeh and firefighter Justin Kabis and Robert Walker.”

Based on the above, at this time we are requesting an extension until Friday, October 6, 2023.

Please confirm receipt of this email and request for an extension of time.

Thank you.

Sincerely,

Rayna E. Harris
Municipal Clerk
