Greetings,
In preparation for the conversation with Superintendent Leon on Monday, the following should be helpful:

The link below is to an op-ed by Lauren Wells and Pedro Noguera, written in 2011 bout the Global Village Zone.

Also, attached a report that Eddie Fergus co-wrote during the Global Village Zone timeframe, “Resident Perceptions of Public Education in Newark: A Community Survey”.

I look forward to our meeting on Monday with Superintendent Leon.

If you have any questions before that time, please reach out to me on my cell phone 973-592-4840 via text.

Have a great weekend.

Toni
