RE: OPRA Request 01/30/2019

Dear Mr. Plummer,

As you know, I am the Business Administrator and Custodian of Records for the Barnegat Township Board of Education (the "Board" or the "District"). I am in receipt of your request for records (the "Request") pursuant to the Open Public Records Act ("OPRA" or the "Act") which I received on January 30, 2019.

The Request seeks "Records of Police Response to, any reports filed, and information pertaining to a report of a student threatening another student after school with a weapon on Tuesday, January 29th, 2019 at Joseph T. Donahue Elementary School." Due to the fact your request involves access to student records, the District respectfully denies this request under exemptions provided under the Open Public Records Act.

Thank you for your courtesies. If I can be of any further assistance, please do not hesitate to contact me.

Sincerely,

Stephen J. Brennan, MBA, CPA

Our collective mission is to nurture and educate our children in accordance with all curriculum standards to prepare them for responsible citizenship and success in life.
