Disconnection of Township-Owned
Utilities

Dear Mr. Mellett:

This is to inform you that on September 21, 2022, representatives of our Water and Sewer Department confirmed that both, the potable water and sanitary sewer service connections to the above referenced property were properly disconnected in advance of the upcoming demolition of the building.

If you have any further questions, or require additional information, please feel free to contact me.

Very truly yours,

A handwritten signature in blue ink, which appears to read "Paul D. Lasek", is written over a faint, larger version of the same signature.
