Ms. Falcone,

The Township of Washington received your Open Public Records Act (OPRA) request on September 23, 2024. The official Records Custodian Susan Witkowski received your OPRA request on September 23, 2024. As such, the seven (7) business day deadline to respond to your request was October 9, 2024.

Your OPRA request sought access to the following:

Please see attached copy of your request and my letter of October 2, 2024

Your request requires additional time to fulfill because the response is many documents to review. OPRA allows custodians to seek extensions of time pursuant to N.J.S.A. 47:1A-5.i. Specifically, OPRA states that, "the requestor shall be advised by the custodian when the record can be made available. If the record is not made available by that time, access shall be deemed denied.

It is anticipated that this will create a voluminous number of responsive records, we reserve the right to implement a special service charge once the initial search has been completed.

Your request requires an extension of time until October 25, 2024.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Township of Washington to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Sincerely,
