Subject: OPRA request - Construction permits issued

Attached is all the Tank Permits related to C. Cueto ranging from 2019-2022

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

I am requesting all construction permit/application and related below listed documents applied by and/or issued to in 2019, 2020, 2021 and 2022 to a "C. Cueto" or "christian cueto" of 809 Featherbed Lane Clark NJ 07066 Tel: 732-770-5909 DEP license #520086

That name is not for the "Name of Owner in fee" but instead it is for the "principal contractor" located in line 4 of the construction permit applications.

In addition i would like to clarify the specific records I am requesting for each permit, as listed below:
