

**ENGINEER'S CERTIFICATION
EMERGENCY REPAIRS
FROM DAMAGE CAUSED BY TROPICAL STORM IDA**

Borough of Wenonah, County of Gloucester, State of New Jersey

I, David Kreck, PE, CME, of full age, do hereby certify the following:

1. I am a Licensed Professional Engineer, and work for the Pettit Group, LLC, and have personal knowledge of the facts set forth herein.
2. I am the Municipal Engineer for the Borough of Wenonah.
3. On September 1, 2021, the Borough of Wenonah was struck by a tornado from Tropical Storm Ida.
4. Governor Murphy declared a State of Emergency for Wenonah and other portions of Gloucester County as resulted of the tornado and resultant damage.
5. As a result of the tornado, there was significant damage to the Borough of Wenonah that I surveyed after the tornado.
6. As a result of the storm, there remains significant damage, including downed trees and destruction of sidewalks, curbs, and roadways within the Borough of Wenonah.
7. The damage presents a threat to the health, safety and welfare of the residents of the Borough of Wenonah.
8. Pursuant to N.J.S.A. 40A:11-6, a contract was entered into by the Borough of Wenonah with R.E. Pierson Construction for the removal of the tree stumps, repair of damaged sidewalks, curbs, roadways, and utility connections, and the backfilling and restoration of the disturbed areas adjacent to the removed tree stumps, damage caused by the tornado which continued to present a threat to the health safety and welfare of the residents of the Borough of Wenonah.

I certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are false, I am subject to punishment.
