WITNESSETH

WHEREAS, the parties have carried on collective negotiations for the purpose of developing a contract covering wages, hours of work and other conditions of employment;

NOW, THEREFORE, in consideration of the premises and mutual agreements herein contained, the parties hereto agree with each other in respect to the employees of the Employer recognized as being represented by the P.B.A. as follows:

ARTICLE 1

MANAGEMENT FUNCTIONS AND RIGHTS

Section 1. The P.B.A. recognizes that there are certain functions, responsibilities and management rights exclusively reserved to the Employer. All of the rights, power and authority

possessed by the Employer prior to the signing of this Agreement are retained exclusively by the Employer subject only to such limitations as are specifically provided in this Agreement.

Section 2. Whenever the term "Employer", "Department Head", "Director of Police" or "Supervisor" shall be used throughout this Agreement, it shall mean and include the "County Board of Freeholders", the "County Manager of Union County", the "Director of Public Safety" and/or their designees, as specifically may be provided in N.J.S.A. 40:41A-45 et seq. or the Administrative Code of the County of Union. The "Director of Public Safety" may be hereinafter referred to as the "Director of Police", or the "Director of the County Police".

Except as modified, altered or amended by the within Agreement, the County of Union, the Board of Freeholders, the County Manager or other designees shall not be limited in the exercise of their statutory management functions. The County Board of Freeholders, the County Manager or other designees hereby retain and reserve unto themselves, without limitation, all powers, rights, authority, duties and responsibilities conferred and vested in any of them by the Laws Of the State of New Jersey, the Constitution of the State of New Jersey and the Constitution of the United States of America, including but without limitation of the following rights, privileges and functions:

(a) The executive management and administrative control of the County of Union, a body politic, and its properties and facilities and the activities of its employees related to their employment.

(b) The right to hire all employees and subject to existing civil service rules and regulations to determine their qualifications and the conditions for their continued employment or their dismissal, or demotion, and to promote and transfer all such employees.

Section 4. The exercise of the foregoing powers, right, authority, duties, and responsibilities by the Board of Freeholders, the County Manager or other designees, the adoption of policies, rules, regulations and practices in furtherance thereof and the use of judgment and discretion in connection therewith shall be limited only by the extent such specific and expressed terms are in conformance with the laws of the State of New Jersey, the Constitution of the State of New Jersey, and the Constitution and the laws of the United States.

Section 5. Nothing contained herein shall be construed to deny or restrict the Board of Freeholders, the County Manager or their designees of their rights, responsibilities and authority under Title 40 and 40A, or any other State laws or regulations as they pertain to the County Manager form of government. Further, nothing contained herein shall be considered to deny or restrict P.B.A. Local No. 73A or its members their rights, responsibilities or authority under Title 34:13A-1 et seq. or any other state or federal laws as they apply to collective negotiations and employee rights.

ARTICLE 3

The pay day will be changed in each successive year as follows:

2010: Friday
2011: Monday
2012: Tuesday

This cycle will be repeated every five (5) years.

ARTICLE 5

LONGEVITY

Section 1. During the life of this Agreement, all employees covered by this Agreement shall be entitled to and shall be paid longevity payments and adjustments in accordance with the longevity program adopted by Freeholder Resolution No. 163 in the year 1967 and Amendments and Supplements thereto; provided, however, that any person commencing full-time continuous employment subsequent to January 1, 1973, shall not participate in or be entitled to the benefits of the present County longevity program.

Said longevity payments shall be calculated and paid in accordance with the practices as they existed prior to the effective date of this Agreement.

Section 2. Anything herein stated to the contrary notwithstanding, it is understood and agreed that the Park Commission policy with respect to longevity, while based upon Freeholder Resolution 163, in the year 1967 was applied in an inaccurate manner. Therefore, any employees covered thereby who as of January 1, 1978, receive more longevity pay than County policy would allow shall continue to receive said longevity pay without reduction, provided however, no additional longevity pay shall be credited to said employees until such time as the County policy would permit any increase when applied consistent with other County employees. Any employees covered by the terms of this Agreement who received the same or less longevity pay as of January 1, 1978, as applied by County policy, shall receive additional longevity pay when due in accordance with County policy.

Section 3. Where applicable, longevity and shift differential shall be included in the base rate for purposes of computing overtime pay.

Employees holding the rank of Captain on December 31, 1992 shall retain the vacation entitlement in effect at that time. Employees promoted to the rank of Captain on or after January 1, 1993 shall be entitled to vacation in accordance with the provisions set forth above in Section 1.

Section 3. Vacation selection is based upon seniority by rank consistent with the operational needs of the Department.

Section 4. An employee who has resigned or who has otherwise separated from employment shall be entitled to the vacation allowance for the current year prorated upon the number of months worked in a calendar year in which the separation becomes effective, in addition to any unused vacation due for the previous year.

Section 5. An employee who is retiring on a pension based on length of service, shall be entitled to the full vacation for the calendar year in which he retires.

Section 6. Whenever an employee dies having to his credit any annual vacation leave, there shall be calculated and paid to his estate, a sum of money equal to the compensation figured on his salary rate at the time of his death.

Section 7. If a paid holiday occurs during the vacation or sick leave, it is not counted as a day of vacation or sick leave.

Section 8. Employees serving on a leave of absence without pay do not accrue vacation benefits.

Section 9. If an employee leaves the County's employ for any reason, except as set forth in Section 5 of this Article, before the end of the calendar year after having taken a vacation allowance for the year, he will be charged with the unearned part of his vacation. This now will be deducted from his final pay check.

Section 10. Vacations must be taken during the current calendar year unless the supervisor determines that it cannot be taken because of pressure of work, in which case, unused vacations may be carried forward into the next succeeding year only.

ARTICLE 7

HOURS OF WORK

Section 1. The work schedule for the Patrol Division shall consist of four (4) consecutive days of eleven and one-half (11 ½) hours of work per day followed by four (4) consecutive days off as scheduled by the Chief of Police or his designee. Employees covered by this Agreement who work in specialized units shall have a work schedule which shall consist of four (4) consecutive days of ten hours and ten minutes (10 hours and 10 minutes) of work per day, followed by three (3) consecutive days off as scheduled by the Chief of Police or his designee. Captains shall maintain a work schedule of four (4) consecutive days on and three (3) consecutive days off. Captains shall not be subject to the obligation to work the five (5) additional eight-hour days hereinafter set forth in this section of this Article.

Employees shall be entitled to a paid lunch period, as scheduled by the Chief of Police or his designee which lunch period shall not exceed a twenty (20) minute period during the employee's work shift. Employees are subject to call during their lunch period.

The parties agree that vacation, holidays, sick leave, personal leave and any other days off will be calculated pursuant to an accepted formula that converts to hours so that the foregoing

work schedule does not result in an increase in the number of days off permitted by this Agreement. The Employer retains the right to reassign employees to cover the needs of the Department, provided that two (2) weeks prior notice is given except in cases of emergency, and the Employer retains the right to make assignments to platoons. The Employer also retains the right to change the hours of shifts provided three (3) weeks prior notice is given except in cases of emergency.

The parties acknowledge that certain situations may occur which require temporary adjustments in the designated work schedule, and the parties agree that the Chief of Police or his designee shall have the right to make such adjustments with notice to the Union but without the necessity of negotiating such temporary changes before implementation. Examples of such temporary situations which are presently foreseen include the assignment of an officer to a Police School which is conducted Monday to Friday, or the temporary-assignment of an officer to another Agency such as the Narcotic Strike Force. In such situations, an officer's schedule may be adjusted as required, including readjustment to a five (5) day on and two (2) day off workweek with an eight (8) or eight and one-half (8 ½) hour workday. The foregoing are examples only and are not intended to be all inclusive of the types of temporary situations which may occur under the work schedule. If an officer's schedule is adjusted for any of the foregoing reasons, he shall be returned to his regular schedule as soon as the reason has ceased.

Effective January 1, 2010, training days shall be reduced from five (5) to two (2) days. Any officer who has completed more than two (2) training days in 2010 shall receive one (1) compensatory day for each day over two (2) days. Training days shall be maintained at two (2) days per year for the duration of the contract. These days shall be training days used exclusively for training and/or firearms qualification.

Effective January 1, 2018, Sergeants and Lieutenants shall be required to perform an additional two (2) training days annually for a total of four (4) training days. Captains shall be required to perform two (2) training days annually. Such training days shall be scheduled at the Chief's discretion and may be conducted in two (2), four (4) or eight (8) hour blocks unless otherwise agreed to by the parties. The value of these training days shall be added into each employee's base salary effective January 1, 2018 prior to any across the board increase and shall be computed by multiplying 16 hours by the employee's overtime rate (which includes senior officer salary steps where applicable).

Effective January 1, 2008, the work schedule for the Patrol Division shall consist of four (4) consecutive days of twelve (12) hours of work per day followed by four (4) consecutive days off as scheduled by the Chief of Police or his designee. Employees covered by this Agreement who work in specialized units shall have a work schedule which shall consist of four (4) consecutive days of ten hours and thirty minutes (10 hrs. 30 minutes) of work followed by three (3) consecutive days off as scheduled by the Chief of Police or his designee.

Section 2. Employees shall be entitled to two (2), three (3) or four (4) consecutive days off as the case may be in accordance with the work schedule, provided however, if the Chief of Police or his designee determines, any employee may be required to work on such day off.

Section 3. Employees shall be required to work such overtime as may be scheduled by the Chief of Police or his designee. Any employee who is scheduled to work and who actually does work in excess of his or her regularly scheduled work cycle shall receive additional compensation for each hour worked at the rate of one and one-half (1 ½) times the employee's straight time hourly rate. All overtime shall be offered to officers who are not regularly

scheduled to work when the overtime occurs in rotating seniority order so that overtime is equalized as far as possible on an annual basis. Overtime that requires special skills shall not be offered by overall seniority but rather in rotating seniority order amongst those having such special skills. Special skills overtime shall count towards overall overtime equalization. Officers who are on vacation or compensatory time shall be called for overtime.

Effective January 1, 2016, officers may accumulate up to one hundred twenty five (125) hours of compensatory time per year. Officers may elect to convert up to forty-five (45) hours of compensatory time into cash at the end of each year. The remaining bank of compensatory time shall be carried over from year to year. At no time shall any officer have more than one hundred twenty five (125) hours of banked compensatory time. Compensatory time may be used in increments of one (1) hour or more. The use of compensatory time shall be with the approval of management because of staffing considerations. Such approval shall not be unreasonably denied.

Effective January 1, 2021, officers may accumulate up to one hundred and seventy-five (175) hours of compensatory time per year. Officers may elect to convert up to forty-five (45) hours of compensatory time into cash at the end of each year. The remaining bank of compensatory time shall be carried over from year to year. At no time shall any officer have more than one hundred and seventy-five (175) hours of banked compensatory time. Compensatory time may be used in increments of one (1) hour or more. The use of compensatory time shall be with the approval of management because of staffing considerations. Such approval shall not be unreasonably denied.

Section 4. For purposes of this Article, "straight time hourly rate" shall be defined as the hourly rate of pay as calculated by dividing the employee's annual salary, exclusive of any longevity or other compensation, by 2,080 hours.

Section 5. An employee shall not be entitled to receive overtime compensation unless such overtime has been scheduled and authorized by the Chief of Police or his designee prior to such overtime being worked.

Section 6. Except as otherwise provided in Section 2, hours worked shall include desk duty, extra patrols, recreational activities, in-service training, Union County Tactical Force, Narcotics' Strike Force, mutual defense, court or administrative appearance and such other work as may be assigned by the Chief of Police or his designee. Where employees are scheduled to appear in court or other administrative proceedings, they shall be required to have the Court Clerk, prosecuting attorney, or other appropriate court or administrative personnel acknowledge the time wherein the employee arrived and left the Court or administrative proceeding. If an officer gives the County forty-eight (48) hours' notice, the County can schedule the Court appearance as a regular part of the officer's workday and not have the officer work the two (2) shifts surrounding the Court appearance.

Section 7.

(a) If an employee shall be recalled for work at any time outside of his regular working hours or any day when he would normally be off duty, he shall receive at least four (4) hours' pay at the applicable rate. An employee shall not be entitled to receive call-in compensation unless authorized by the Chief or such other person as the Chief may designate.

(b) The call-in of employees from off duty for the purpose of measurement of uniforms shall not constitute compensable time or call-in time, however, the Employer agrees that it will make every effort to schedule these activities during regular working shift hours.

Section 8. For the purposes of this Article, the following pay absences shall be considered as time worked for the purpose of computing overtime: holidays, vacations, personal days and sick leave.

Section 9. The Chief of Police, or his designee, shall have the sole and exclusive right to assign employees to patrol, whether in a vehicle, on foot or otherwise, as may be assigned or scheduled by the Chief of Police and/or his designee.

Section 10. Employees within the same classification shall be permitted to switch an entire tour of duty or days off with any other employee within the same classification upon advance notice subject to the written approval of the Chief of Police or his designee.

Section 11. All officers shall be provided time off without loss of pay to take promotional exams if scheduled for duty.

ARTICLE 8

SICK LEAVE

Section 1. Sick leave may be used by employees who are unable to work because of: (1) personal illness or injury; (2) exposure to contagious disease; (3) care, for a reasonable period of time, of a seriously ill member of the employee's immediate family (defined herein as spouse, child, legal ward, grandchild, foster child, father, mother, legal guardian, grandfather, grandmother, brother, sister, father-in-law, mother-in-law and other relatives residing in the employee's household); (4) death in the employee's immediate family for a reasonable period of time. Up to forty (40) hours may be permitted when such absence is caused by the death and

attendance at the funeral of a spouse or child and up to twenty-four (24) hours will be permitted during the absence from duty of employees when such absence is caused by the death and attendance at the funeral of any other member of the employee's immediate family as defined. Sick leave may also be used by a handicapped employee for absences related to the acquisition or use of an aid for the handicapped when the aid is necessary to function on the job. In such cases, reasonable proof may be required by the Employer.

Section 2. If an employee is absent for reasons that entitle him to sick leave, his supervisor shall be notified promptly. Failure to notify the supervisor may be cause for disciplinary action. Absences without notice for five (5) consecutive days shall constitute a resignation.

Section 3. Sick leave is earned in the following manner:

(a) New employees shall only receive one (1) workday for the initial month of employment if they begin on the first (1st) through eighth (8th) day of the calendar month, and a half ($\frac{1}{2}$) workday if they begin on the ninth (9th) through twenty-third (23rd) day of the month.

(b) After the initial month of employment and up to the end of the first calendar year, employees shall be credited with one (1) workday for each month of service. Thereafter, at the beginning of each calendar year in anticipation of continued employment, employees shall be credited with fifteen (15) workdays of sick time.

(c) As of January 1, 2022, a day of sick time will be based on the number of hours in an officer's shift. (12 hour day = 180 hours or 15 days; 10.5 hour day = 157.5 hours or 15 days). If an officer is transferred from the four/four to the four/three work schedule or vice versa, for a period of 6 months or less, he shall not have his sick time adjusted. If he is transferred for more than 6 months, it shall be adjusted.

(d) Paid sick days shall not accrue during a leave of absence without pay or suspension.

(e) Sick leave credits shall not accrue after an employee has resigned or retired although his/her name is being retained on the payroll until exhaustion of vacation or other compensatory leave.

(f) Unused sick leave shall accumulate from year to year without limit.

(g) All sick time accumulated prior to January 1, 2022 shall be converted to days by dividing the officer's banked hours by 10.75 if on the four and four work schedule and 9.25 hours if on the four and three work schedule. For example, an officer on the four and four work schedule who has 135 hours banked will be converted to 13 days (rounded up from 12.6 days).

Section 4. Any employee who is absent on sick leave for four (4) or more consecutive working days shall be required to submit a physician's certificate as evidence substantiating the illness. The Employer may require an employee who has been absent because of personal illness, as a condition of his return to work, to be examined by a physician at the expense of the Employer. In addition, the Employer in its discretion may require proof of illness of an employee on sick leave whenever such proof is reasonable.

Section 5. An employee who has been absent on sick leave for a period totaling fifteen (15) days in one (1) calendar year consisting of periods of less than five (5) days, shall submit acceptable medical evidence for any additional sick leave in that year unless such illness is of a chronic or recurring nature causing recurring absences of one (1) day or less in which event only one (1) medical certificate shall be required for every six (6) months. The medical certificate must specify that the chronic or recurring nature of the illness is likely to cause subsequent absences from employment.

Section 6. The County agrees to continue a program of payment for unused sick leave upon retirement in accordance with the following requirements:

(a) Eligibility for payment under this program requires that an employee must retire with at least twenty-five (25) years of service pursuant to the New Jersey State Police and Fire Pension laws, and must have at least one hundred (100) accumulated sick days to his or her credit upon the effective date of retirement.

(b) Employees who are eligible for this benefit shall be compensated pursuant to the following schedule:

100-200 accumulated sick days – 50% of the daily rate to a maximum of \$10,000
201-300 accumulated sick days – 60% of the daily rate to a maximum of \$12,500
over 301 accumulated sick days – 70% of the daily rate to a maximum of \$15,000

(c) The rules and regulations applicable to eligibility for this benefit are as follows:

1. EFFECT ON OTHER RETIREMENT BENEFITS:

The lump sum supplemental compensation provided herein for accumulated sick days shall in no way effect, increase or decrease any pension or retirement benefits to such retired employee under any other statute.

2. LIMITATIONS:

(a) no employee who elects a deferred retirement benefit shall be eligible.

(b) an individual may defer his request for lump sum payment but it must be submitted within one year of the effective date of any retirement.

3. ELIGIBILITY:

An employee must retire with at least twenty-five (25) years of service pursuant to the New Jersey State Police and Fire Pension laws, and must have at least one hundred (100)

accumulated sick days to his or her credit upon effective date of retirement to be eligible for this benefit.

4. DEATH OF AN EMPLOYEE:

In the event of an employee's death within one year after the effective date of retirement but before payment of the lump sum is made, the payment of the lump sum shall be made to the employee's estate. It should be noted that retirement is contingent upon the employee surviving thirty days after the effective date of retirement.

5. DISABILITY RETIREMENT:

County employees who retire as a result of an accidental or ordinary disability retirement, and who meet all of their applicable regulations will be considered eligible for lump sum sick leave reimbursement upon retirement for unused sick leave. If such employees receive lump sum payment and subsequently re-enter County employment, they will not be eligible to have their unused sick leave reinstated to their records. Employees re-entering County service subsequent to an accidental or ordinary disability retirement will begin earning sick leave in a manner similar to a newly hired employee.

6. RETURN TO SERVICE AFTER RETIREMENT:

Any employee who has or shall retire on age and service and who subsequently re-enters County employment will be considered to have incurred a break in service.

7. LEAVE WITHOUT PAY:

In determining an individual's eligibility, leave without pay shall not be counted towards the requirement of twenty-five (25) years' service.

8. COMPUTATION:

a) Sick leave credit shall be computed from the date of employment; or if a break in service has occurred, only from the date of return to employment following the break in service except that an employee who has or shall incur a break in service as a result of separation due to lay-off shall be credited with sick leave accrued before separation and after return to employment.

b) The amount shall be computed pursuant to the following schedule:

100-200 accumulated sick days—50% of the daily rate to a max. of \$10,000
201-300 accumulated sick days—60% of the daily rate to a max. of \$12,500
301+ - accumulated sick days—70% of the daily rate to a max. of \$15,000

The employee's daily rate of pay for each day of earned and unused accumulated sick leave at the effective date of retirement shall be based upon the average annual compensation received during the last full year of the employee's active employment prior to the effective date of retirement. b) Vesting of rights: All employees hired on or prior to December 31, 2009, are vested as to all eligibility criteria and benefits as set forth in Schedule C, attached to this Agreement. Any material changes to Schedule C made pursuant to any future agreements with and/or arbitration and/or court proceedings involving the County and the SOA shall not be effective to change those employees' rights and benefits under Schedule C, provided such health insurance coverage remains generally available in the insurance market at commercially reasonable rates.² If not generally available at commercially reasonable rates, then the County is obligated to provide such employees with a retirement benefit plan that is substantially equivalent to or better than the coverage set forth in Schedule C. Provided such health insurance coverage remains generally available in the insurance market at commercially reasonable rates, these rights may only be changed as to each eligible employee with the express written consent of that specific employee for benefits under Schedule C.

² The terms "generally available in the insurance market" and "commercially reasonable rates" will be construed to mean insurance products that are generally available for purchase by employers with a numerical employee complement similar to the County from regular commercial insurance companies licensed to sell such insurance in the State of New Jersey at rates that are not grossly disproportionate from those rates offered to such similar employees.

c) In addition to the foregoing, the SOA consents to each current bargaining unit member and all bargaining unit members hired from the date of this agreement through December 31, 2009, signing an individual contract between each unit member and the County that obligates the County to provide the benefits described in Schedule C to the unit member and eligible dependents, regardless of any changes in the collective bargaining agreement.

Employees opting out shall retain the right to re-enter the County's Health Benefit Plan on a monthly basis. Upon re-entering the plan, payments for opting out shall cease. The availability of this option is contingent on an annual renewal that is fully insured (premium based) as opposed to self-insured. If the County decides to self-insure, this option will become null and void.

In order to be eligible for the health-benefit opt-out payment, an employee must opt out of both health and prescription coverage.

Section 7. Effective September 1, 2006, the VSP Plan shall be implemented for employees only and 100% of the premium for the Plan will be paid by the County.

Section 8. Effective January 1, 2022, Chapter 78 contributions shall be based on the 2019 premium levels during the term of the contract. Employees shall not be entitled to any retroactive monies if there is a reduction in contribution amounts.

Employees who utilize more than four (4) sick days in any quarter will not be eligible for a sick leave bonus in the succeeding quarter except where the sick days were utilized due to the employee's serious health condition as defined in the Federal Family and Medical Leave Act ("FMLA") in which case the County would be able to require confirmation of the existence of such serious health condition to the same extent it would under the FMLA.

Section 3. Acting Pay

Effective June 1, 2013, if a Patrol Sergeant works as a shift commander for four (4) shifts in a month, he shall receive acting Lieutenant's pay for each such shift worked, retroactive to the first shift.

Section 4. Insurance Development Fund

Effective January 1, 2007, the Employer will provide the SOA the means to create an insurance development fund (hereinafter the "Fund"). The purpose of the Fund shall be to reimburse (as hereinafter set forth) bargaining unit employee(s) represented by the SOA [hereinafter "employee(s)"] and employed by the County as patrolmen for reasonable and necessary costs incurred for the purchase of the following types of insurance coverage:

1. Legal Defense Insurance for the defense of any civil, criminal or administrative action or proceeding involving or arising out of the employee's employment or arising out of their activities as a Law Enforcement Officer on or off duty. Any disbursements made by the Fund for such insurance shall be consistent with the provisions of N.J.S.A. 40A:14-117 and Article 3 of the collective negotiations agreement between the parties.
2. Disability Insurance.
3. Health Insurance.
4. Other types of employment related insurance.

The County agrees to provide one hundred and fifty (\$150.00) dollars per employee to the SOA for the purpose of creating the Fund. Such payment shall be in a lump sum and shall be made on or before January 10th of each year.

The lump sum payment shall be transmitted to a designated official of the SOA by check which shall be issued separate and apart from all checks currently transmitted to the SOA for Union Dues Deductions, as provided in Article 3 of the parties' collective negotiations agreement. The County's lump sum payment shall be deposited by the SOA in a separate insured bank checking account maintained in the name of the Fund. The SOA shall submit to the County Finance Department the name and address of the banking institution where the account is established and maintained, the account number and shall further provide the Finance Department with a monthly copy of the statement of account transactions received from said banking institution.

The PBA agrees to indemnify and to hold the County and its officials, agents, servants and employees harmless against any and all claims, demands, suits in law or equity, administrative proceedings and/or other forms of liability arising out of the transmission and/or receipt of the aforesaid payments from the County to the SOA and/or for the SOA's operation, administration or payment of premiums to any insurance company or reimbursement to employees for payment of insurance premiums from said Fund. The SOA shall assume full responsibility for the Fund's operation, administration and disbursement of Fund monies.

The Insurance Development Fund can only be utilized for the insurance purposes stated above. It is understood and agreed that no Fund monies may be used directly or indirectly to institute and/or maintain any action or law suit against the County in any state or federal forum.

An employee is entitled to reimbursement from the Fund for the purchase of the above stated insurance coverage up to a maximum of \$150.00 per annum, provided that the employee first submits to the SOA for verification a true copy of the insurance policy or policies purchased together with a paid invoice therefor. The Recording Secretary of the SOA will be authorized to

certify the above documentation for all members in accordance with the SOA by-laws and transmit same to the County.

The SOA further agrees that it will provide the County with the following documentation no less than on a quarterly basis:

- (1) A copy of all insurance policies and corresponding paid invoices for which reimbursement was made out of Fund proceeds;
- (2) A statement of all disbursements made from the Fund and the reasons therefore;
- (3) A statement of all disbursements made by the Fund and the reasons therefore;
and,
- (4) A statement of the reconciled account of the Fund.

The SOA agrees that the County shall have the right to audit the books, records and accounts of the Fund at any time upon written, certified request. The parties shall agree on an acceptable date to commence the requested audit, but in any case, the audit shall take place no later than thirty (30) calendar days from the date of receipt of the audit request by the SOA. The failure of the SOA to comply with a written audit request shall be deemed to be a material breach of this Agreement relative to the Insurance Development Fund.

The SOA's failure to comply with the forgoing terms shall result in an immediate breach of this section of the Agreement and the County's obligation to transmit any payment pursuant to this section of the Agreement shall terminate and all money on deposit in any and all accounts of the Fund shall immediately be returned to the County.

RETIREE HEALTH BENEFITS

(Employees Hired Prior to December 31, 2009)

SCHEDULE C

Effective April 1, 2006, there shall be a health insurance plan for employees covered by the recognition clause of the collective bargaining agreement, subject to the following terms and conditions:

1. Eligibility. Employees must have been actively employed with the County of Union (the "County") on or before December 31, 2009; and must retire on either a disability pension or retire having 25 years or more of service credit in the Police and Firemen's Retirement System ("PFRS") and at least 10 years of service with the County, or retire and reach the age of 62 years or older with at least 15 years of service with the County. This benefit will only be provided to those retirees meeting the eligibility requirements who do not have health insurance coverage provided hereunder, and eligible retirees shall cooperate in good faith with the County to verify that they are not eligible to receive such substantially equivalent or better health insurance coverage.
2. Description. This benefit shall consist of coverage under the CIGNA OAP2/OAP3 (Direct Access) Health Insurance Plan with the prescription component provided by MEDCO at 0-Co-pay Mail and 30% Co-pay Retail. Subject to the vested material rights of employees covered under this Schedule C, the County reserves the right to change or modify the plan at any time, so long as the modified plan provides substantially equivalent or better coverage to that in effect for members of the bargaining unit at the time of their retirement provided such coverage remains generally available in the insurance market at commercially reasonable rates. This benefit shall cover the retiree's spouse and/or eligible dependent(s) at the time of retirement and in the even of

the retiree predeceasing said spouse and/or dependent(s); coverage shall continue for the surviving spouse and/or eligible dependent(s).

3. Cessation of Subsidy. Upon implementation of the foregoing benefit, the County shall be obliged to pay the full cost of health insurance premiums for qualifying retirees hereunder. Members receiving benefits under this Schedule C shall be not eligible for or receive the subsidy provided in Schedule D.

4. Health Benefit Buyout Option. Any retiree eligible to receive benefits or then receiving benefits under this Exhibit C, with either Family or Husband/Wife coverage in any of the available health benefits plans, may voluntarily opt out of that plan providing their spouse has either Family or Husband/Wife coverage either through the County or through another employer. In return for opting out, the County shall pay to the eligible retiree the sum of \$5,000.00 annually, to be paid in 26 installments over the next year. The \$5,000.00 sum shall be reduced to \$2,500.00 per annum upon the eligible retiree's reaching Medicare eligibility. The payments will be prorated if less than one year of the benefit is available. Eligible retirees opting out shall retain the right to re-enter the County's health benefit plan (as set forth in this Exhibit C) on a monthly basis. Upon re-entering the plan, payments for opting out shall cease. This benefit shall be discontinued if the County becomes self-insured.

RETIREE HEALTH BENEFITS

(Employees hired on or after January 1, 2010)

SCHEDULE D

Effective January 1, 2009, there shall be a health insurance subsidy plan for employees, covered by the recognition clause of the collective bargaining agreement, subject to the following terms and conditions:

1. **Eligibility:** Employees must have been actively employed for the County of Union on or after January 1, 2010 (this is the same plan that was in effect since January 1, 1987 and formerly Exhibit A); and must retire on either a disability pension or after having reached the age of 55 years and having 25 years or more of service with the County, or retire and reach the age of 62 years or older with at least 15 years of service where the retirement has been shown to the satisfaction of the employer to have been necessitated by medical illness or disability of the employee. Employees who otherwise qualify for coverage but who retire before age 55 shall be entitled to receive coverage under this plan upon reaching age 55. This benefit will only be provided to those retirees meeting the eligibility requirements who do not have health insurance coverage from another source, and eligible retirees shall cooperate in good faith with the County to verify that no other source of health insurance is provided for them.
2. **Description:** This benefit shall be applied to the Health Insurance Plan which is provided to members of the bargaining unit. The County reserves the right to change or modify plans at any time so long as the modified plan provides substantially similar coverage to that in effect for members of the bargaining unit. This benefit shall cover the retiree's spouse and/or eligible dependent(s) at the time of retirement and in the even of the retiree predeceasing said

spouse and/or dependent(s); coverage shall continue for the surviving spouse and/or eligible dependent(s).

3. Subsidy: Upon implementation of this benefit, the County shall be obliged to subsidize the cost of health insurance premiums for qualifying retirees, as follows:

<u>Category</u>	<u>County's Subsidy</u>
Single, Under 65	\$189.67 per month
Single, Over 65	\$138.39 per month

The remaining costs of the County's Health Insurance Plan shall be borne by the retiree.

4. Modification: In the event that the amount of the County's contribution is subsequently reduced or even eliminated, the change in practice shall apply to those persons already retired. Similarly, in the event that the Health Insurance Plan is changed or modified in any way, the new plan shall apply to the retirees.
