ARTICLE XXI
PERFORMANCE, PROMOTIONS, VACANCIES, LAYOFFS, AND RETIREMENTS

I. Evaluation Program

A. Criteria and Duties: It is acknowledged and agreed that the Township has the managerial prerogative to establish the criteria, standards, duties, and description of a position within the Township. It is further acknowledged and agreed that a position in this Township is not necessarily comparable to similarly titled positions in another municipality.

B. Performance Standards: Performance standards, goals, expectations, and/or requirements shall be established by the Township for all and each position. It is acknowledged and agreed that while certain positions may have the same or similar title or description, each position is unique as to criteria, standards, and/or duties based upon the Department in which the position lies.

C. Performance Evaluation: An annual performance evaluation program shall be administered fairly, reasonably, uniformly, and in good faith by supervisory personnel. The employee shall be provided with feedback to keep them advised of what is expected of their performance and of how well they meet those expectations. The Supervisor shall reasonably provide the employee continuing information as to their current performance and provide assistance in improving that performance.

1. Should an employee receive an unfavorable performance evaluation, the Township and/or Supervisor shall evaluate and provide feedback to said employee over the subsequent three (3) month evaluation period. If there is no improvement, the Supervisor shall advise Township Administration for further action.

D. Counseling and Reprimand: The Township and the Association acknowledge and agree that should an employee's performance be unfavorable for three (3) consecutive evaluation periods that the Township may cause a hearing to determine whether disciplinary action is required including, relocation, demotion, freezing of step movement, and termination, if the employee's performance is substantially sub-standard and the employee has not been able to demonstrate any improvement. The employee is entitled to ask for representation and have a hearing with the Business Administrator or Director of Human Resources presiding.

E. Employee Participation: Employees are encouraged to contribute, discuss, and communicate with their supervisor their thoughts regarding their performance evaluation and with advance notice, may request that an Association representative be present during their performance evaluation review. This more formal process should not be construed as a restriction to informal discussions with Supervision that may be initiated by the employee or supervisor throughout the annual evaluation period.

F. Notice of Job Requirement: The Township will provide each employee and the Association a copy of the criteria, duties, responsibilities, special skills and description of their title/position. Should the Township determine that a revision is necessary, the Township agrees to provide the employee and Association such revisions at least fifteen (15) days prior to implementation. The Township also agrees to meet and negotiate with the Association terms to resolve any economic impact of this revision.

II. Promotions and Transfers

A. The Township acknowledges that promotional and/or transfer opportunities are positive factors in the workplace. The Township acknowledges that when new positions or vacancies arise notice will be posted on designated bulletin boards within a reasonable time to permit current full-time and part-time employees the opportunity to submit a request to be a candidate.

B. Should the Township determine that a promotional examination is required to fill a new or vacant position, the Township shall post such requirement not less than thirty (30) days before said examination date, including date, time and location of the examination. (The definition of a "promotional exam" shall not include a typing or similar skills test, which shall not require notice to the employees.) Additionally, the Township shall post at the same time or in conjunction with this posting, the criteria, duties, responsibilities and any special skills necessary for this new or vacant title.

1. The Township shall also post, if applicable, whether the examination is oral or written, a list of books or materials, which may be relevant to said examination and any other such information as may reasonably aid the Employee to prepare for competitive testing.

2. Where an Employee is working at the time of said examination to be given, said employee shall be permitted time off without loss of compensation for the examination.

3. Where the employee is scheduled to work immediately preceding the examination, then in such case the employee shall be excused at least one-half (1/2) hour prior so as to have a reasonable opportunity to rest and prepare for said examination.

C. The Township shall provide, if requested by a candidate and/or the Association, the final scores of any competitive examination.

III. Titles/Positions

A. Criteria, Duties, Special Skills

1. The Township and the Association acknowledge and agree that each title has certain general duties and responsibilities that correlate to a negotiated "grade" in the parties' contract.
2. The Township and the Association also acknowledge and agree that certain professional and personal proficiencies may be required by the Township for an employee in the same title but in a different Department.
3. The Township and the Association also acknowledge and agree that the Township has a managerial prerogative to establish the criteria, duties, responsibilities and any special skills necessary for the title within each Department.
4. The Township acknowledges and agrees to provide the Association with all established criteria, duties, responsibilities and any special skills necessary for the title within each Department as the situation arises. The Association may request the Township to provide said information for any title/position. The Township shall provide this information so long as it is not burdensome or voluminous. The Township may not arbitrarily or capriciously deny such a request.
5. The Township also acknowledges and agrees to provide the Association with all revisions or modifications to the established criteria, duties, responsibilities, and any special skills necessary for the title within each Department at least fifteen (15) days in advance of any revisions or modifications going into effect.
6. The Township also acknowledges and agrees to provide the Association with all criteria, duties, responsibilities and any special skills for a title, which is new or vacant that the Township seeks to fill. The Township shall provide this information to the Association before or at the time of posting.

B. Preference for Full-Time and Current Employees:

If all criteria and skills are equal for candidates pursuing a new or vacant position, the Employer agrees that full-time employees seeking promotion or transfer shall receive preference, followed by part-time employees and thereafter candidates not employed by the Township. If not all criteria and skills are equal for candidates for a new or vacant position, the employee's current employment status will only be a component of the decision to fill the position.

C. Seniority:

1. Seniority is defined as the total length of continuous service. For Association employees serving in a "blue collar capacity," defined as those working in a supervisory capacity at Bey Lea Golf Course, in the Department of Public Works, and in the Division of Parks, Buildings, and Grounds, seniority shall be determined by time served in the Department or Division. In the event that a Department or Division is re-assigned or restructured, seniority shall remain unaffected.

2. Any unpaid leave shall not count for service credit, but shall not be considered a break in service. Notwithstanding the above, an employee on military leave shall have all such leave paid or unpaid considered for service credit;

3. The Employer shall maintain an accurate, up-to-date seniority roster showing the date of hire, classification, and rate of pay of each employee covered by this Agreement and said roster shall be available to the Association upon request;

4. If, in the reasonable judgment of the Township, all criteria and skills are equal for candidates for a new or vacant position, the employee's seniority, as defined above, will be a controlling factor in the decision to fill the position. If not all criteria and skills are equal for candidates for a new or vacant position, the employee's seniority will be only be a component of the decision to fill the position.

5. Notwithstanding the above, it is hereby agreed that the parties hereto recognize and accept the principle of seniority in all cases of work schedules, selection of leave time and layoffs.

6. Nothing herein shall preclude the Township from advertising to fill a vacant or newly created position if, the Township reasonably believes, none of the existing bargaining unit full-time, part-time, temporary or probationary employees possess the skills and/or qualifications are enumerated in the job posting. The Township shall notify the Association accordingly prior to advertising.

D. Evaluation/Probation Period

1. As an employee's professional and personal proficiencies are both important to any position, upon hire, promotion, or transfers therefore there will be a three (3) month evaluation period before the position is considered permanent.

2. If during or at the end of the evaluation period it is determined by the Township that the employee's professional and personal proficiencies do not meet the needs of the position, then the Employer will in the case of a current employee, return the employee to their prior position or another position with the same title. If the said employee was newly hired to fill this position, the Employer shall have the option of terminating the employment of the probationary employee without cause despite any benefits to the contrary under the contract.

E. Notice of Hires:

The Township shall provide notice to the Association of all Township hires that could reasonably be considered as part of this bargaining unit. All new hires shall immediately become members of the Association, unless disputed by the Township. Should the Township dispute whether the title/position of a new hire is subject to be covered by the Association, the matter shall be negotiated with the Association or determined by the Public Employment Relations Commission after petition.

IV. Layoffs:

Should the Employer determine in good faith and in the public interest to achieve governmental economy or efficiency through layoffs and/or the abolition of one or more positions, the Employer shall lessen the possibility, extent, or impact of layoffs by:

a. Noticing the Association at least forty-five (45) days prior to "Notice of Layoff" and immediately engage in discussions to limit or eliminate the necessity for layoff by mutually agreeing to:

1. Separating non-permanent bargaining unit employees that are not subject to or covered under this Agreement;
2. Returning provisional bargaining unit employees (if any) to their permanent titles;
3. Laterally reassigning bargaining unit employees;
4. Assisting potentially affected bargaining unit employees in seeking transfers or other employment;
5. Negotiating contractual concessions and/or furlough days with the Association.

b. The Employer shall, to the extent possible, lessen the impact of any layoff action on permanent employees by first placing employees without permanent status, and then those with the least seniority as defined herein above, in positions being vacated, reclassified or abolished.

c. For lateral transfers, employees shall have substantially similar duties and responsibilities. Unless specifically established and mandated in the job description, an employee's education, special skills, or licenses may, with articulated cause exceed an employee's seniority as set forth herein.

d. A permanent employee shall be able to displace another employee holding a title determined to be lower than, but related to the affected title of the employee provided the lower title has substantially similar duties and responsibilities. Unless specifically established and mandated in the job description, an employee's education, special skills, or licenses may, with articulated cause exceed an employee's seniority and/or right to displace another employee.

e. A special reemployment or recall right for the duration of one (1) year from the loss of employment means that the Township recognizes the right of a permanent employee, based on his or her permanent title at the time of the layoff action, to be certified for reappointment or recall to the same, lateral and/or lower related titles upon the first available open position.

V. Retirements

a. Retiring employees must participate in an exit interview with the Personnel Division for the mutual exchange of information pertinent to their retirement.

b. Retirees, or their legally-authorized agents, must promptly notify the Township, in writing, of any changes to the information provided on the retiree census form or any change in circumstance affecting Township-provided health coverage. Failure to do so may affect continued eligibility for Township-provided health benefits in retirement.

c. Twice-annually, the Personnel Division shall conduct a census of all retirees to ensure that the retiree information maintained by the Township is current and accurate. The census shall be recorded on an official form transmitted by Township, which all retired employees **MUST** complete and submit in timely fashion. Failure to do so may affect continued eligibility for Township-provided health benefits in retirement.

RULES AND REGULATIONS

ARTICLE XXV
TERMINATION AND EXTENSION OF AGREEMENT

A. The term of this Agreement shall be from January 1, 2021 through December 31, 2024.

B. In the absence of written notice given no more than one hundred eighty (180) days nor less than one hundred fifty (150) days prior to the expiration date by either party, this Agreement shall automatically be renewed for a period of another year, and from year to year thereafter, until such time as the appropriate notice is given prior to the annual expiration date.

C. Notwithstanding the above, the parties agree that the contract shall expire on December 31, 2024, but all terms except for those set forth below shall stay in full force and effect until the parties enter into a successor collective bargaining agreement. The parties agree that upon expiration of this contract, there shall be no economic movement in step or longevity.

D. Should the Township deem it necessary to consider furloughs, demotions, and/or layoffs, they agree to promptly notify the Association and conduct reasonable good faith negotiations with the Association to avert such action.

COMPLETENESS OF AGREEMENT

This Agreement represents and incorporates the complete and final understanding by the parties on all negotiable issues that were or could have been the subject of negotiations.

During the term of this Agreement, neither party will be required to negotiate with respect to any such matter, whether or not covered by this Agreement, and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.
