- A. The purpose of a grievance procedure is to provide a framework for the fair, prompt and orderly adjustment of grievances. The purpose of a grievance clause is to bring the Board and the Association together in an effort to resolve disputed matters in a prompt and efficient manner. In order to expedite grievances it is necessary to have a grievance procedure which involves progressively higher levels of Association and Board representatives. In addition, the parties recognize that a successful grievance procedure must have a final step which is binding upon the parties and decided by a neutral party.
- B. A grievance is defined as any dispute, controversy or issue involving the interpretation, application or violation (alleged or otherwise) of any provision of this Agreement or the application of any rules, regulations, ordinances and/or statutes which actually affect working conditions.
- C. A grievant is defined as any individual or entity which has been, is being, or may be affected by any issue, controversy, dispute or application as indicated in the definition of a grievance.

If not resolved on an informal discussion basis within three (3) days, the grievance shall be reduced to writing within seven (7) days, signed by the grievant and submitted to the Board Personnel Committee. The Personnel Committee shall investigate the grievance and provide a written answer to the grievant within ten (10) days of the date of submission. The time limit in preparing a written response may be waived by mutual agreement.

Step Two: In the event the grievance is not resolved at Step One, or if no written response is received by the grievant, then the grievance shall be submitted in writing, by the grievant, to the Board of Fire Commissioners. The Board shall submit their written answer, to the grievant, within fourteen (14) days. This time limit may be waived by mutual agreement.

Step Three: In the event the grievance is not resolved at Step Two, the Association may seek relief at arbitration as specified herein. In all respects the initiation of binding arbitration shall begin within forty-five (45) days after written resolution from the Board. The parties hereby agree that only the Association and/or the Commissioners may petition for an unresolved grievance to be submitted to binding arbitration. If an individual member of the Association moves to initiate arbitration proceedings no matter the circumstances, the Commissioners shall join the Association in moving to immediately dismiss the petition.

The decision of the arbitrator will be served upon the parties in writing. It shall be the obligation of the arbitrator to make his/her best effort to rule on the case heard by him/her within twenty-one (21) calendar days after the hearing.
4. The decision of the arbitrator is final and binding upon both Parties and the grievance shall be considered permanently resolved. Notwithstanding the foregoing, this clause shall not be interpreted as the parties' waiver of any and/or all appellate rights that may be available to them.
5. The expense of the arbitrator shall be shared equally by both Parties. Each party shall make arrangements for and pay the witnesses who are called by it if necessary.

ARTICLE VII

Members shall not receive any additional income on the anniversary of their full-time hire date. Any member reaching Step 11 during the term of the within contract will receive a one and one-half percent (1.5%) pensionable increase on January 1st of each year thereafter above the previous year's salary. For contract years 2021 and 2022, all members shall receive an additional one and one-half percent (1.5%) pensionable salary increase above

Said salary increase shall be added to the Member's base pay and shall continue after this contract expires and during the period of negotiation for a successor agreement between the parties.

In addition to earning their salary as reflected on the above referenced salary guide, any firefighter or officer promoted to the position of Captain shall receive a \$25,000.00 pensionable increase in salary for each year of this contract. Said salary increase shall be added to the Member's base pay and shall continue after this contract expires and during the period of negotiation for a successor agreement between the parties.

INJURY WHILE ON DUTY

- B. Provision: The Parties agree to be conclusively bound by the determination of the Board's workers' compensation insurance carrier or the Workers' Compensation

Court (in a contested matter) with respect to whether an injury occurred while “in the course of employment” pursuant to N.J.S.A. 34:15-1 et seq. or “in the line of duty”; and for the purpose of this section, those terms shall be identical.

- C. Board’s Duty to Supplement Pay: While any Member is prevented from performing the duties of his/her work by reason of an injury that occurred while the Member was on duty and is receiving temporary workers’ compensation benefits, such employee shall also receive supplemental payments by the Fire District equal to the difference between such benefits and the Member’s regular rate of pay. Member's pay. The Parties further agree that the hearing officer's decision shall not be utilized in any other proceeding other than that mentioned herein.

4. If the Member files an application for accidental or ordinary disability retirement with the New Jersey Department of the Treasury, Division of Pensions and Benefits by reason of the Member's inability to return to active duty, the Board shall continue to supplement pay or sustain a Member at his/her regular pay until such application is determined or seven (7) months following such application, whichever event occurs first.

It is further agreed that the Board will notify the Union of any intended change or modification to any other substantial benefit and, if requested by the Association within ten (10) days of such notice or within ten (10) days of the date on which the change would reasonably have become known to the Members affected; the Board shall within twenty (20) days of such request enter negotiations with the Association on the matter involved providing the matter is within the scope of issues which are mandatorily negotiable under the New Jersey Employer-Employee Relations Act as amended. Side Letter of Agreement

The Board of Commissioners for Fire District No. 1, Township of Lakewood (hereinafter referred to as the Board) and the Firefighters' Mutual Benevolent Association (hereinafter referred to as the Association) (collectively referred to as the Parties) hereby recognize and agree that the previous collective negotiations agreement expired on December 31, 2015 and the successor collective negotiations agreement that has since been executed shall begin on the date of January 1, 2018. Based upon this acknowledgement and recognition, both the Board and the Association agree that Association Members have been working and will continue to work without a valid collective negotiations agreement in place, and thus, it is necessary to execute this side letter of agreement to serve as a "transitional agreement" between the parties until the new agreement goes into effect.

Terms of this Agreement

1. In recognition of the Association's Members continued employment without a contract, on November 19, 2017, current Association Members will be compensated in accordance with the pay scale reflected in Schedule A. attached hereto. Payment at this rate shall continue from November 19, 2017 until December 31, 2017. On January 1, 2018, the salary guide reflected in the successor collective negotiations agreement shall go into effect and shall be the salary guide from which association Members are paid until the agreement expires on December 31, 2022 or during the period of negotiations for a successor agreement and until a new agreement is reached.
2. The Association Members will transition to a new thirteen (13) step salary guide on January 1, 2018, from the seven (7) step salary guide that was reflected in the collective negotiations agreement that expired on December 31, 2015. Based on the difference in the number of steps between the two salary guides it is necessary to transition the Members from one guide to the other. Thus, the step that the members will be placed on in the salary guide reflected in the January 1, 2018 to December 31, 2022 collective negotiations agreement is reflected on Schedule A attached hereto.
3. Other than the strict payment of salary on the new salary guide, all other Articles of the January 1, 2018 to December 31, 2022 collective negotiations agreement shall be adhered to by the parties beginning on November 19, 2017.
4. The Parties have agreed upon a compromised compensation increase for the years that the Members have worked without a contract (2016 and 2017) in an amount that equates to one and one-half percent (1.5%) per year of the member's November 19, 2017 to December 31, 2017 annual salary as reflected in schedule A that is attached hereto. Said payment shall be calculated immediately following the date both Parties sign this Agreement, and shall be paid to the Members no later than thirty (30) days thereafter.

5. John Yahr currently serves as the Captain of the Fire Department. Based upon the foregoing, he shall begin to receive the \$25,000.00 annual pensionable increase in salary on November 19, 2017. The payment of this increase in salary shall be pro-rated for the period of November 19, 2017 until December 31, 2017.
6. Any Member who is acting as the officer in charge (as an acting captain or lieutenant) for an entire twenty-four (24) hour shift under this transitional agreement shall be paid an additional \$80.00 per shift for assuming such duties
7. The parties hereby agree that any unused sick time that was accumulated prior to the January 1, 2018 to December 31, 2022 collective negotiations agreement going into effect shall be carried forward and may be used by the members under the new agreement.
8. The parties hereby agree that any unused vacation, holiday or personal time that was accumulated prior to the January 1, 2018 to December 31, 2022 collective negotiations agreement going into effect must be used before January 1, 2018 or the same shall be forfeited. Members shall be permitted to utilize their vacation, holiday and/or personal time with the limitation that no more than two Members per shift shall be granted this time off from work.

This encompasses the entire side letter of agreement between the parties. No other modifications to this agreement will be accepted or acknowledged by the parties unless the changes are in writing.
