RE: OPRA Request dated January 20, 2023

Dear Friends of Monmouth County:

As custodian of records for the Asbury Park Board of Education ("Board" and/or "District"), I am writing this letter in response to your request pursuant to the Open Public Records Act (OPRA) request submitted via email on January 20, 2023.

More specifically, your OPRA request seeks access to the following:

"A full Excel file or PDF of any and all contracts and vendor lists, as well as everyone who has been paid by the town or board in the last year (1/1/22 - present). Total amount paid to each vendor or contractor. Please do not break it up by individual items. Contract or Vendor and full amount for the year next to it."

As a preliminary matter, please note that there are no contracts, vendor lists or anyone that "has been paid by the town". The Board and the City of Asbury Park are separate and distinct public entities.

Notwithstanding the above, enclosed please find a copy of all contracts entered into by the Board and a list of vendors who have been paid by the Board from January 1, 2022 through December 31, 2022.

As the documents identified above are being provided to you in electronic format only, there is no charge associated with your request. The foregoing information and the enclosed documents constitute the District's full and complete response to your OPRA request and therefore, your OPRA request is closed.

Sincerely,

A handwritten signature in black ink, appearing to read 'Geoffrey Hastings', is written over a horizontal line.

Mr. Geoffrey Hastings
Business Administrator/Board Secretary
