Dear North Brunswick Township,

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-5(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL NOT use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.

Records requested:

- All contracts, purchase orders, and agreements between North Brunswick Township (or its Police Department) and Flock Group Inc. (Flock Safety), including any amendments;
- Any Flock Safety data-sharing/network configuration records, including which outside agencies have been granted access to North Brunswick's Flock camera data, and any Flock Safety Transparency Portal export or usage report for North Brunswick PD;
- The name and contact information (title/department, not necessarily a personal phone/email) of North Brunswick Township Police Department's designated Agency ALPR Coordinator(s), as required under NJ Attorney General Law Enforcement Directive No. 2022-12;

- Any current written ALPR policy for North Brunswick Township Police Department, including data retention period and any data-sharing or interagency access provisions.

My preferred delivery method for response(s) to this request is by email as attachments. Please confirm you have received this request. If you are not the custodian of records, please forward my request to that person and provide their email address to me for future reference.

Yours faithfully,

Ayaan Lodhie
