Thank you and happy holidays to you also.

Just that one other thing-since you have seen the affidavit, can you disclose or indicate whether it was an affidavit regarding investigations being done solely by Paterson, the County, The State Police or all of the above?

I would ask you for the affidavit redacted by for the agency involvement...

Amy,

Pursuant to our telephone conversation yesterday, affidavits for search warrants cannot be provided. Such records contain criminal investigatory information. Affidavits also contain information related to security measures and surveillance techniques which, if disclosed, would create a risk to the safety to persons, because the affidavits contain information provided by confidential informants.

Thank you very much. I hope you have a happy holiday!

Joe,

The Detective went through all the UFRs for 2017 and informed me that there are no reports for canine involvement. However, I understand that we sent you all of 2015 and 2016. Not sure if you still want all the reports for 2017.

Let me know – thanks!

Mr. Hernandez,

The City is in receipt of your OPRA request. Please note that there are over 1,000 UFRs to sort through for the years 2015-2017. A special service charge will have to be assessed if you want the UFRs only for canine involvement. If not, I can send you all of the UFRs for 2015 through 2017.
