When downloading documents to the Infoshare system, some officers are using the Screening PD Intake and are actually generating blank cases. Please don't search using this button.

You should always try to search cases by using the **NEW ECDR CASE LIST** button. **Just click on it once.** Wait a minute and all new cases should populate. Then find the correct file you were looking for.

If you can't wait that minute, then use the **SCREENING PD CASE SEARCH** button and put in the defendant's last name and first initial. Then search for the correct file you were looking for.

Members,

We will be having a meeting on Thursday 2/15 at 355 on Franklin Ave. in Nutley. Please let me know if you will be attending as we need to make the proper arrangements with the restaurant.

Please remember that our Pancake Breakfast will be on the first Saturday of March in the Clifton Commons Applebees. I would hope that EACH member would be able to sell 5 to 10 tickets. Without \$\$, we can't give scholarships away and although I love everyone's faces, this, like every other civic organization is one that we need to raise money. We haven't had any fundraisers other than last years pancake breakfast and bus trip. Please help out.

Again, let me know ASAP about next Thursday's meeting and have a wonderful Valentine's Day!!

Loophole Silences Victims of Workplace Harassment

Thousands of employees across the nation are working a loophole into employment contracts called "non-disparagement" or "non-solicitation." These provisions prevent employees from suing companies for sexual harassment and retaliation, even though they prohibit victims from speaking publicly about their ordeal.

Meanwhile, the federal government looks the other way.
