Re: OPRA Request – Email Logs

Dear Requester:

The County of Hunterdon is in receipt of your OPRA request, dated January 14, 2019. On January 18, 2019, you were notified that the County required an extension of time to fulfill that request until February 7, 2019.

Your request sought the following:

Copies of email logs for Hunterdon County Prosecutor Anthony P. Kearns, III from December 1, 2018 to December 7, 2018. Please include sender, recipient, date and subject.

As such, in response to your request, please find the attached spreadsheet which discloses a log of all requested information. You will note redactions have been made. Two emails which are located on page 64 of the document in the 5th and 6th rows have been redacted because they contain advisory and consultative information/intra-agency advisory communications which are precluded from release. All remaining redactions represent personal emails which are not subject to disclosure pursuant to the Open Public Records Act as they are not public documents, *Paff v. Galloway Twp.* 229 N.J. 340 (2017).

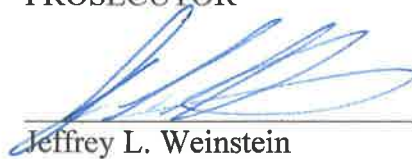

Your Open Public Records request has been processed in accordance with N.J.S.A. 47:1A-1, et seq. If your request has been denied in whole or in part, the County of Hunterdon reserves the right to raise any other grounds for denial not raised in this response. The failure of the County of Hunterdon to assert an exception or privilege herein does not act as a waiver of any ground for denial not raised herein.

If you have any questions, please do not hesitate to contact my office.

Very truly yours,

ANTHONY P. KEARNS, III
PROSECUTOR
