Re: OPRA #113017-3

Dear Mr. Duff:

Stockton University received your Open Public Records Act (OPRA) request on November 29, 2017. The undersigned official Records Custodian received your OPRA request on November 30, 2017. As such, the seven (7)-business day deadline to respond to your request is December 11, 2017.

Your OPRA request sought access to the following:

- ***All communication between Stockton University employees and the NJDEP regarding the research project on 753 Walnut St. and its connection to MLK Jr, such as emails, letters, faxes and requests made of the research team by any and all NJDEP officials. I am also seeking all interpersonal communications by Stockton employees regarding the study, such as but not limited to, Paul Schopp, Michelle McDonald, John O'Hare, Briana Cardinale, Kimberly Bylone and any other employee or student who worked on the publicly funded study***

Your request requires additional time beyond the seven (7) business days to fulfill. OPRA allows custodians to seek extensions of time pursuant to N.J.S.A. 47:1A-5.i. Specifically, OPRA states that, "the requestor shall be advised by the custodian when the record can be made available. If the record is not made available by that time, access shall be deemed denied."

Your request requires a 7-business day extension of time until December 20, 2017 by which time I anticipate records can be provided.

Sincerely,

Thomas P. Chester
