1

WHEREAS, the parties wish to enter into this new agreement to provide for the curbside collection of recyclable materials.

NOW, THEREFORE in consideration of the mutual covenants and agreements hereinafter mentioned, the parties agree as follows:

I. Scope of Agreement

The MCMUA agrees to provide a recycling vehicle(s) which will be used by MCMUA personnel to provide curbside collection to the Municipality. The collection units to be serviced shall include all single family and duplex residential units and any additional residential units/complexes listed on Schedule C along with any other entities listed on Schedule C. Collection shall exclude large businesses, industrial sources and any other generators which are not specifically included above or listed on Schedule C. Multi-family complexes which are specifically excluded are also listed on Schedule C.

All units to be serviced must place recyclables out for collection at curbside in containers no heavier than 50 pounds each when full with an approximate corresponding volume limit of 32 gallons each. The MCMUA will notify the Municipality when it has the ability to lift compatible containers, heavier than 50 pounds, using automated equipment. The MCMUA shall not provide "back door" collection service. The MCMUA shall not be required to provide containers for collection. For multi-family complexes, if included in the contract, the MCMUA may provide collection from specified appropriate dumpsters, but shall not provide those dumpsters. The MCMUA shall collect from appropriate dumpsters provided by the Municipality or the complex at multi-family complexes as agreed by the MCMUA and the complex.

II. MCMUA Responsibilities

a) The MCMUA will maintain, operate and properly insure the aforementioned recycling vehicle(s) and obtain and provide fuel for same. Upon request, the MCMUA agrees to provide the Municipality with a Certificate of Insurance evidencing said coverage.

b) The MCMUA will provide work crew(s) consisting of MCMUA personnel. The MCMUA will properly insure its employees.

c) Utilizing the aforementioned vehicle(s) and work crew(s), the MCMUA will provide curbside pick-up of the recyclable materials as set forth in Schedule A attached hereto and made a part hereof ("Single Stream Recyclable Materials", or "SSRM", or "Recyclable Materials), at the locations as set forth in Schedule C, attached hereto and made a part hereof.

d) The MCMUA will collect and remove SSRM from curbside as designated in Schedule A to a recycling market procured from time to time by the MCMUA.

e) The MCMUA will remove all Recyclable Materials from the municipal recycling depot as requested by the Municipality. The MCMUA will try to expedite the hauls within 48 hours of the call/request.

f) The MCMUA will provide containers for the hauling of Recyclable Materials from the municipal recycling depot as set forth in Schedule D.

g) The MCMUA shall retain ownership of any equipment owned by the MCMUA and provided for use by the Municipality during the term of this contract.

h) The MCMUA reserves the right to refuse to provide collection of Recyclable Materials which have not been prepared for collection in accordance with the requirements set forth in Schedule A of this Agreement. The MCMUA may also refuse to provide collection to materials deemed unacceptable by the recycling market.

i) In the event of a rejected load or portion of a rejected load, the MCMUA may charge the Municipality up to \$250.00 per rejected load or portion thereof, due to the additional time loading, handling and transporting. The MCMUA agrees not to charge this fee for the first three (3) such loads in each calendar year. Alternatively, if the logistics are agreeable to the MCMUA's recycling market, and if the MCMUA does not need to be involved with any of the handling of the rejected material, the rejected materials can be handled directly by the Municipality, in which case, there would be no charge by the MCMUA to the Municipality. The Municipality will need to notify the MCMUA of its desire to operate under this option.

j) In the event of rejected loads or portion of rejected loads due to contamination, excessive moisture or snow content, the Municipality will be responsible for any garbage transfer station tipping fees.

k) The MCMUA will maintain operation records and will monitor and administer the operation of the collection program.

l) The MCMUA shall prepare monthly tonnage reports for Recyclable Materials collected from the Municipality.

m) The MCMUA shall provide non-compliance stickers to be used by the MCMUA pick-up crew(s) to designate unacceptable materials or improperly prepared or containerized materials as set forth in Schedule A.

III. Municipal Responsibilities

a) The Municipality shall adopt and enforce mandatory source separation for recycling of all mandated materials designated in the Morris County District Recycling Plan or amendments therein. Enforcement of recycling requirements must include the use of non-compliance stickers provided by the Municipality for use by the municipal or contracted solid waste hauler(s) designating unacceptable waste containing Recyclable Materials at the curb for collection.

b) The Municipality shall be responsible to maintain, at its own expense, any equipment and infrastructure owned by the Municipality during the term of this contract.

c) The Municipality shall inform the solid waste hauler(s) in writing once every twelve (12) months, of the municipal ordinance which makes it illegal to dispose of mandated recyclable materials.

d) The Municipality shall provide an effective and on-going education and information program for all residents to insure participation in the single stream recycling program. On an annual basis, the Municipality shall further provide to the MCMUA copies of all instructions and educational material to be distributed to residents to promote participation in the Morris

County Curbside Single Stream Recycling Program.

e) The Municipality shall answer all inquiries from residents regarding the Program and concerning materials designated unacceptable and contact the MCMUA at the end of each collection day with an address list of any unresolved inquiries.

f) The Municipality shall provide the MCMUA municipal route maps and shall conduct route orientation with the MCMUA supervisors, if necessary.

g) The Municipality agrees to comply with all rules and regulations adopted by the MCMUA regarding the Morris County Single Stream Curbside Recycling Program.

IV. Schedule of Operation

a) The schedule for curbside collection and the list of holidays which effect collection are set forth in Schedule B attached hereto and made a part hereof. Collections missed due to a holiday will be made-up on a day to be determined by the MCMUA at no additional cost to the Municipality.

b) The MCMUA reserves the right not to provide service on days of inclement weather, equipment breakdown or other event out of the control of either party. The Municipality will not be charged for any scheduled day(s) not worked. The MCMUA will notify the Municipality by 8:30 a.m. if the curbside collection must be canceled in the morning due to inclement weather, or as soon as possible in the event of inclement weather, equipment breakdown or other event out of the control of either party which occurs during the collection day.

c) If the Municipality wants to schedule a day to make-up a missed collection due to inclement weather, the MCMUA will, upon request, determine if a make-up can be scheduled. If a make-up collection is provided, the monthly billing will not be reduced.

e) The MCMUA crews normally arrive in the Municipality between 6:15 a.m. and 6:45 a.m. to begin curbside collection services.

V. Payment

a) The annual cost for services shall be according to the table below. The MCMUA shall bill the Municipality by voucher on a monthly basis prorated for one twelfth of the annual amount for the recycling service which is also listed in the table below. This pricing takes holiday misses into account, but does not take misses due to inclement weather into account. If a miss due to inclement weather is not made up, the billing will be reduced as explained further below.

	Annual Cost	Monthly Cost
From January 1, 2019 until December 31, 2019	\$145,000.00	\$12,083.00
From January 1, 2020 until December 31, 2020	\$147,900.00	\$12,325.00

b) In the event of a missed collection(s) due to a holiday(s), the amount to be billed

for the month will not be reduced, as the pricing takes holiday misses into account.

c) In the event of a missed collection due to inclement weather, equipment breakdown or other event out of the control of either party, and no make-up collection provided, the amount to be billed for the month will be reduced as follows:

1/1/19 until 12/31/19 -	\$145,000 divided by 26 collections = \$5,577.00 per collection

1/1/21 until 12/31/21 -	\$150,858 divided by 26 collections = \$5,802.00 per collection
1/1/22 until 12/31/22 -	\$153,875 divided by 26 collections = \$5,818.00 per collection
1/1/23 until 12/31/23 -	\$156,952 divided by 26 collections = \$6,037.00 per collection

d) The MCMUA shall pay or invoice the Municipality 100% of the revenue earned or cost incurred from the sale of the Recyclable Materials. In the event that a payment is due to the Municipality for the marketing of Acceptable Materials, the MCMUA shall deliver a voucher for payment to the Municipality on a monthly, quarterly, semi-annual and/or annual basis in the discretion of the MCMUA, and shall deliver payment to the Municipality within 45 days after receipt of the duly executed voucher from the Municipality. For each single-stream roll-off container load transported by the MCMUA that weighs equal to or more than 2.00 tons and less than 2.50 tons, the MCMUA will credit the Municipality \$10.00. The credits will appear monthly on the invoice from the MCMUA.

VI. Indemnification

In addition to the other rights and remedies of the parties herein, the Municipality agrees to indemnify and hold harmless the MCMUA and the County of Morris, including its employees and agents, from any and all liability and claims for damages or injury caused by, or resulting from, the negligent acts or omissions by the Municipality's personnel arising out of this Agreement or any of the obligations assumed by the Municipality hereunder, provided it is determined by a Court having the appropriate jurisdiction that the Municipality is solely or jointly responsible for such liability. EQUAL OPPORTUNITY FOR INDIVIDUALS WITH DISABILITIES**

Americans with Disabilities Act Compliance - The Parties hereby acknowledge and agree that both parties are public entities which are required to comply with the Americans with Disabilities Act.

The Contractor and the Owner do hereby agree that the provisions of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101, *et seq.*), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the Owner pursuant to this contract, the Contractor agrees that the performance shall be in strict compliance with the Act. In the event that the Contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the Contractor shall defend the Owner in any action or administrative proceeding commenced pursuant to this Act. The Contractor shall indemnify, protect, and save harmless the Owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The Contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the Owner's grievance procedure, the Contractor agrees to abide by any decision of the Owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the Owner or if the Owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the Contractor shall satisfy and discharge the same at its own expense.

The Owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the Contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the Owner or any of its agents, servants, and employees, the Owner shall expeditiously forward or have forwarded to the Contractor every demand, complaint, notice, summons, pleading, or other process received by the Owner or its representatives.

It is expressly agreed and understood that any approval by the Owner of the services provided by the Contractor pursuant to this contract will not relieve the Contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the Owner pursuant to this paragraph.

It is further agreed and understood that the Owner assumes no obligation to indemnify or save harmless the Contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of the Agreement. Furthermore, the Contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the Contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the Contractor from any liability, nor preclude the Owner from taking any actions

available to it under any other provisions of this Agreement or otherwise at law.
