Subject: City of Newark OPRA Request PD-23-1071

Good Afternoon Mr. Brubaker,

The Office of the Clerk of the City of Newark has assigned your attached request tracking number PD-23-1071 and forwarded it to the Department of Public Safety, Division of Police.

Government agencies properly extend OPRA's initial seven-business day deadline for good cause when the extension comes within the first seven business day deadline and provides a date certain by which the request will be filled. The requestor's consent to the extension is not necessary. *Starkey v. Department of Transportation*, GRC 2007-315, 2007-316, 2007-317 (2009). *Rivera v. Plainfield*, GRC 2009-317 (2011). *Criscione v. Gutenberg*, GRC 2010-68 (2010).

In order to gather the documents responsive to your requests, the OPRA unit sends your requests to the respective City Departments, which

actually created, received, or retained these documents. Since the State of Emergency, crucial City Staff have retired, become sick, and work a staggered schedule, which makes the time needed to gather responsive documents far longer than usual.

This office received your request on June 22, 2023, and anticipates a response on or about July 24, 2023.

Sincerely,

Shantesia Crawford, MPA
