Re: Records request

Dear Mr. Karan:

Please accept this letter in response to your records request dated December 18, 2020. You indicated in your original email dated November 9, 2020 that this response should be delivered to you electronically via email utilizing the unique email address created for receiving replies to this request via opramachine.com, which is: opra+request-17732-9ef953a1@requests.opramachine.com.

You have requested documentation in the form of: Any and all electronic communications sent or received by Jennifer Webb-McRae, Harold B. Shapiro, Christian E. Dutill, Andre R. Araujo and/or any other members of the Cumberland County Prosecutor's Office pertaining to Jeffrey Profit, between April 1, 2015 to March 31, 2016, with any and all attachments to those emails.

Please find all responsive records attached to this response as Responsive Records A. Please note, that the search term "Jeffrey Profit" was utilized in order to conduct an electronic search of the email records in the possession of this office for all emails dating between April 1, 2015 to March 31, 2016, but no research was done into the content of emails to determine whether they pertain to any subject matter. One redaction has been made to these records, in the form of a redaction to the email dated March 8, 2016 at 8:08 A.M., where the login password of an employee of the County of Cumberland has been redacted as information relating to computer network security. Pursuant to N.J.S.A. 47:1A-1.1, information is exempt from the Open Public Records Act if it relates to administrative or technical information regarding computer hardware, software and networks which, if disclosed would jeopardize computer security. As the redacted portion of the aforementioned email is the computer network login password of an employee of the County of Cumberland, that portion of this record has accordingly been redacted.

The Cumberland County Prosecutor's Office reserves the right to raise any other ground for denial not raised in this response. The failure of the Cumberland County Prosecutor's Office to assert an exception or privilege does not act as a waiver of any ground for denial. If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Cumberland County Prosecutor's Office to deny access. At your option, you may institute a proceeding in the Superior Court of New Jersey. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen C. Sayer", written over the printed name.
