7. **Municipal Budget Cap:** In order to be exempt from the municipal budget cap, any monies provided by the municipality must be in the form of matching funds as specified by N.J.S.A. 40A:4-45.3 1. Therefore, the State award and the required fringe benefit match under the Safe and Secure Communities Program are outside the budget cap. However, any additional dollars spent by the municipality in support of the project, including any overmatch, will fall under the Division of Local Government Services budget cap requirements.
8. **Time and Attendance Records:** Grantee must maintain a timekeeping system which provides, at a minimum, records for all personnel charged to the grant as follows: positions (filled with grant funds); rank/title; employee's name; date hired; annual salary; total daily hours worked, and the signatures of the employee and supervisor.
9. **Financial and Performance Reporting:** The Grantee agrees to file timely Detailed Cost Statements (DCS) and payment vouchers within fifteen (15) days after the end of each quarter. The Grantee also agrees to file a timely Final Grant Narrative Report within fifteen (15) days after the end date of the grant period. The Final Grant Narrative Report should describe accomplishments and activities that took place during the grant period. *The Grantee understands and agrees that failure to comply with these filing deadlines may result in a reduction or total loss of the Grantee's award. L&PS may, at its discretion, terminate this or any other Safe and Secure grant awards for delinquent reporting.*
10. **Availability of Grant Funds:** The Grantee understands that annual funding for the Safe and Secure Communities Program is uncertain and that funding for each year's grant depends on the continued collection of sufficient program revenue. The Grantee accepts this award on the condition that if sufficient funds are not available, the municipality may not receive its entire State award.
