Do you consider yourself Republican or Democrat?

Where did you do your PMP at and did you find it difficult?

10/29/20, 3:50 PM

Wow nothing is more telling to when someone doesn't answer a question

Hi. Sorry for not responding sooner. I typically don't use this messaging system. Not sure what party I am in matters, but I took a PMP class in NYC for a week before the test. It is not a hard test if you are prepared. Hope that helps. Regards.

I went to Stevens institute for my masters and could have taken the test but didn't. Now I wish I did. So I am thinking if doing it now 18 years later. Lol. The affiliation question has to do, I liked what you said at the town meeting regarding taxes but I am impartial when it comes to True GOP vs Dem. But not a fan of Trump GOP. He disgusts me. The worst example of a leader or human to me. I always felt president should be something you strive for with pride like being an astronaut. But Trump has set a bar too low ever want anyone to be. My opinion. I was never into politics until the last 4 years and I hope to one day return to not worrying about the madness in the White House. Thanks for your time. Keep up the good work.

Good luck

Is this a service center, charging station, dealership? As Tesla owners x2 this is great news for us.

I believe it will be a dealership and a service station.

Thanks

Good morning councilman, I just read the article in North jersey.com about your statement regarding development in Wayne at the last council meeting. While the reporter characterized what you said as a rant come up I think it's more a dose of reality for residents of Is Wayne. I posted a link to the article as well as a comment about you speaking out on the "Wayne Residence Against Overdevelopment" Facebook page. I look forward to having the opportunity to potentially work with you in looking for alternatives come our next allotment in 2025.

Appreciate you reaching out. I agree that 'rant' is not how I'd characterize it either, but the reporter needs to sell papers!

Feel free to join the page if you like. We'd be fortunate to have you as a member. Or just follow.

Just wanted you to know that regardless of what has transpired over the years, I appreciate your professional comments at the council meetings in spite of all the false narratives. Somehow we need to find a way to all stick together, the same way the other side does.
