Hi Fran. We haven't met in person - but I feel like I know you via Facebook! I'm Elena's mom (she drove your kids to school a while back). Congratulations on your election to the Council. It's great to have a Democrat in there again! I'm reaching out on behalf of my other daughter, Jennifer. She's a sophomore studying Public Policy at the U of Delaware and she's looking for an internship for next summer and she'd love to work in Congresswoman Sherrill's office. She would be reaching out to you herself if she wasn't on her way to study in Rome this semester. Can I ask her to follow up with you directly by email when she settles in? I know everyone says their kid is great - but Jen is really great!! Anyway, I appreciate your time. Look forward to meeting in person. Thank you.

So happy you reached out, Naomi. I know Elena is outstanding as well so of course please have her email me at fran4cholton@gmail.com. I will get some info this summer going for 2020 re-election campaign.

Thank you so much!! She arrives in Rome in Monday so I'll have her reach out after she's settled in. Have a great weekend.

This is only because I don't want crazy people to criticize you. You accidentally put where instead of wear on the post about masks. Keep doing the great work you have been doing!
No thank you for doing what you are doing!
I am a teacher in Wayne and a parent so I totally agree. We need to keep these kids safe! Thank you for doing this!
I could not go to the forum last night because I am on the diversity committee. I hope they know most people are for this initiative

Fran this is Robert Baker in townhouse 8607 I am very sorry to contact you when I realize you couldnt be more busy I wrote and visited Mary in the Manager's office a week ago At that time I provided her with pictures of the front of 8619, across from me Previous managers have had to deal with everything from illegal parking to piles of trash in front of their front door I hate to circumvent Management, but 8619 is ignoring her as well In the front window they have a large poster which is not a holiday decoration at all In my 26 years at Brittany Chase, these people are the very worst It started with illegal parking on both corners, then the piled up trash, now trash in front of the door, but the poster is what really needs to be addressed There are other community violations, but this one is the current problem Is there anything that can be done, please? We pay a lot of money in taxes and maintenance and some abuse the system Much appreciated, and a very happy holidays to you and the Board

Hi Mr Baker I have contacted Mary for background and Monitoring Board has been notified and will review. Thank you for contacting me.

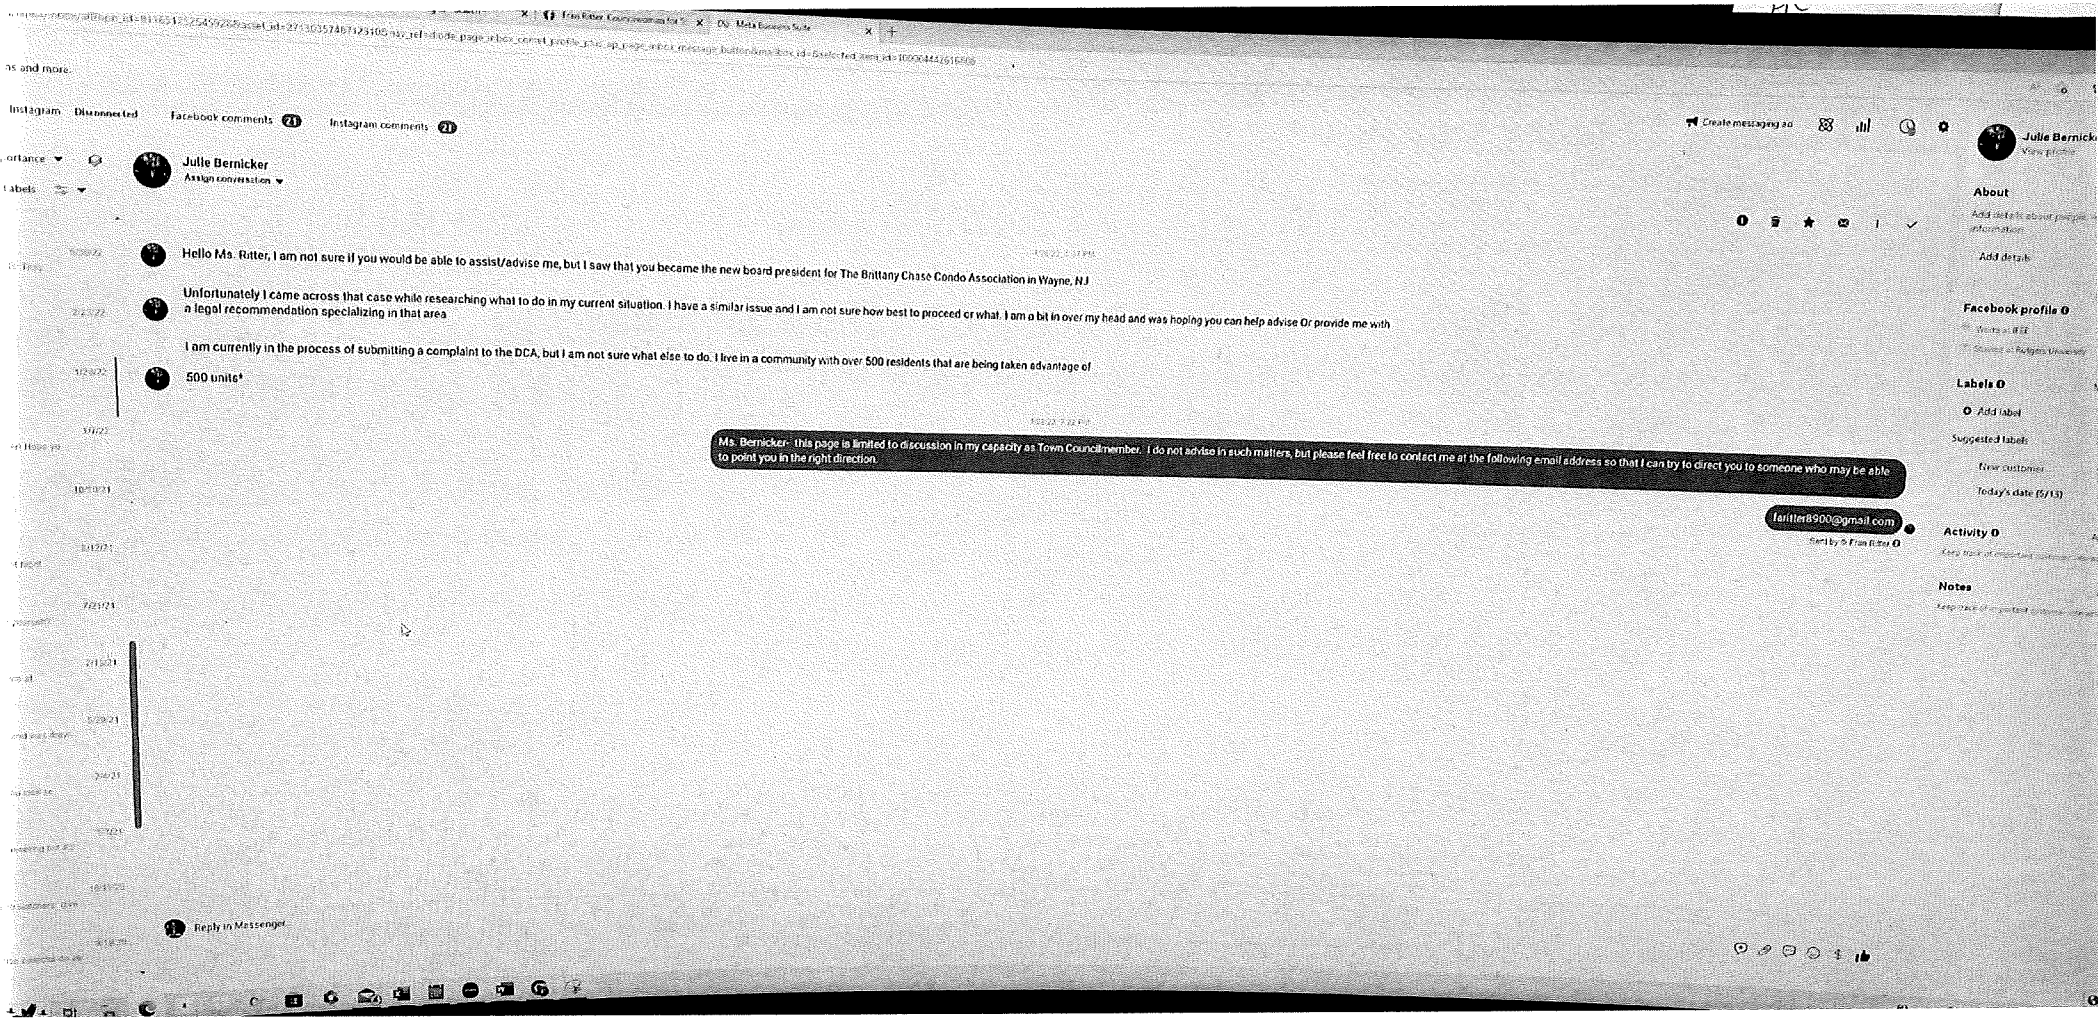

Very much appreciated I dont mean to diminish Mary's role at all past managers all had problems getting this neighbor to conform

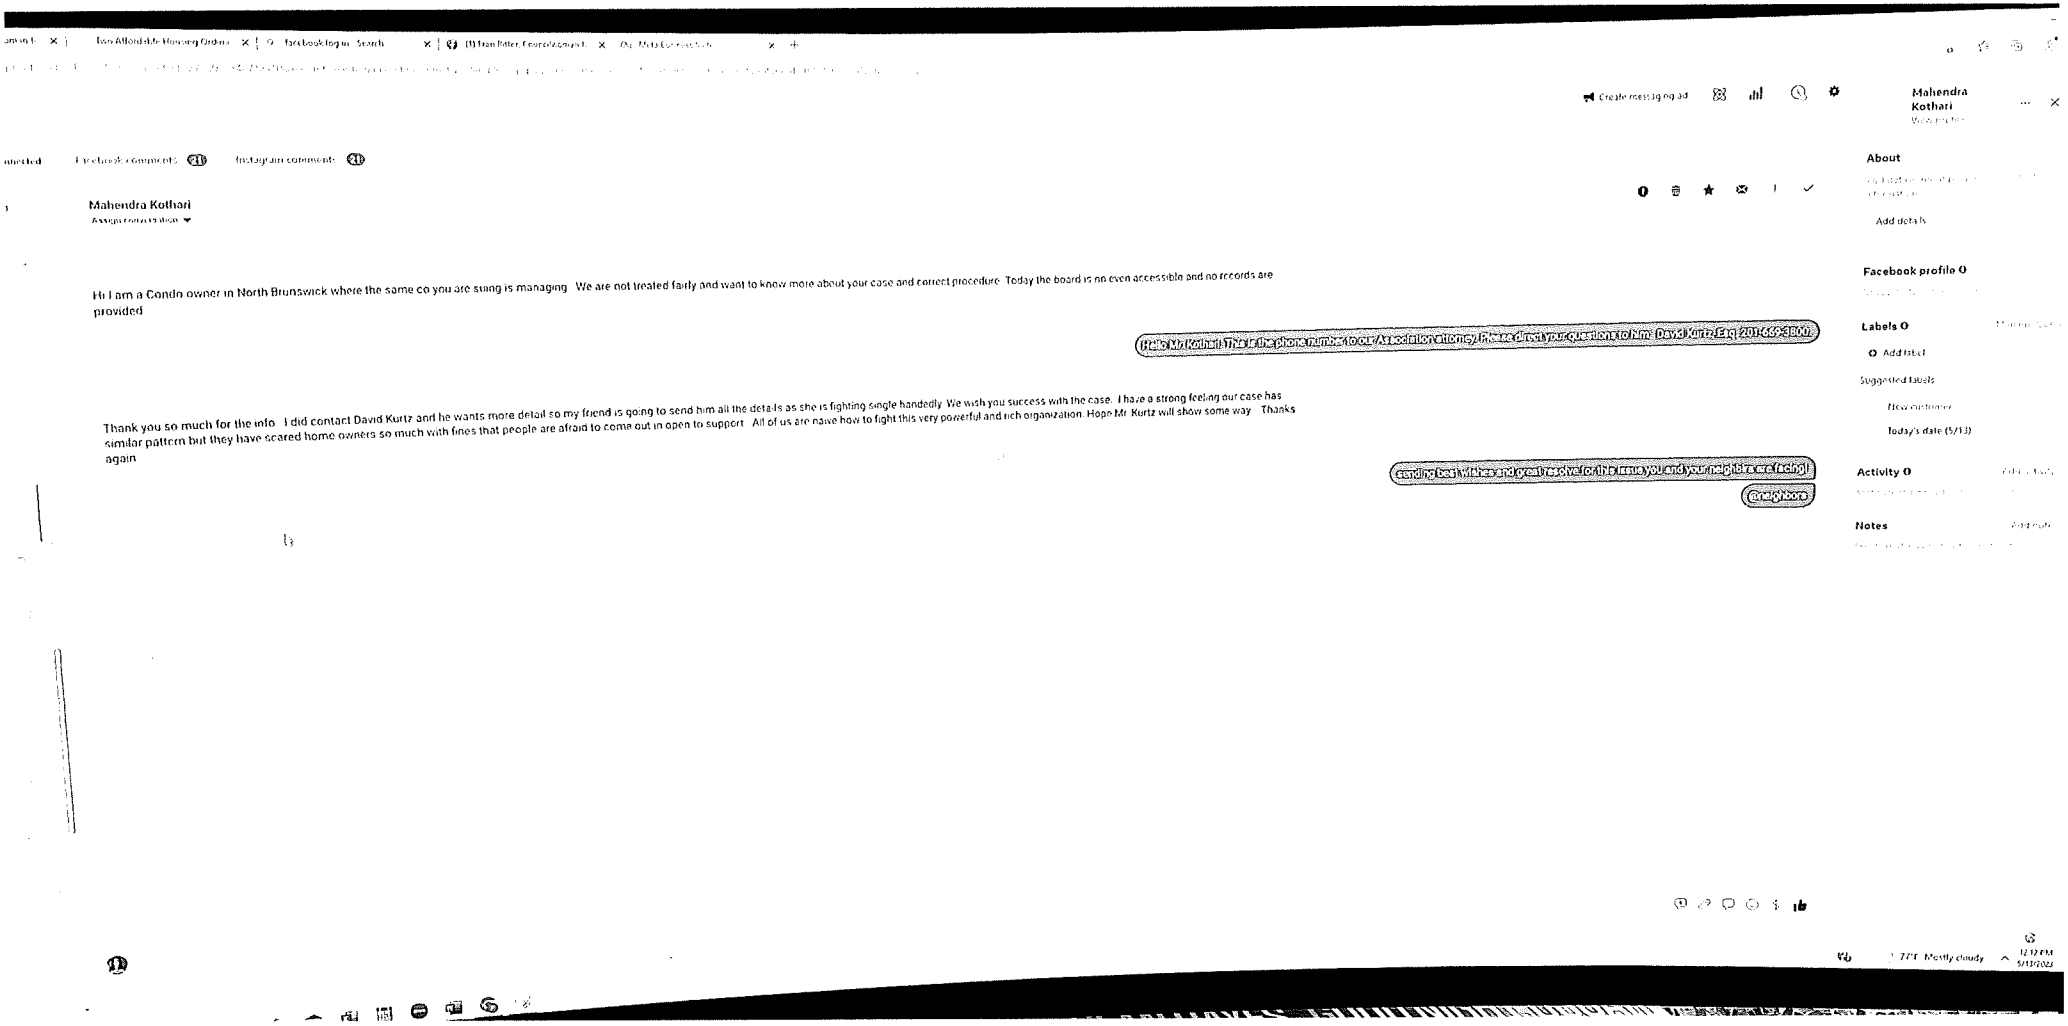

Noted Mr Baker I will work with Mary and my board members at the next appropriate action

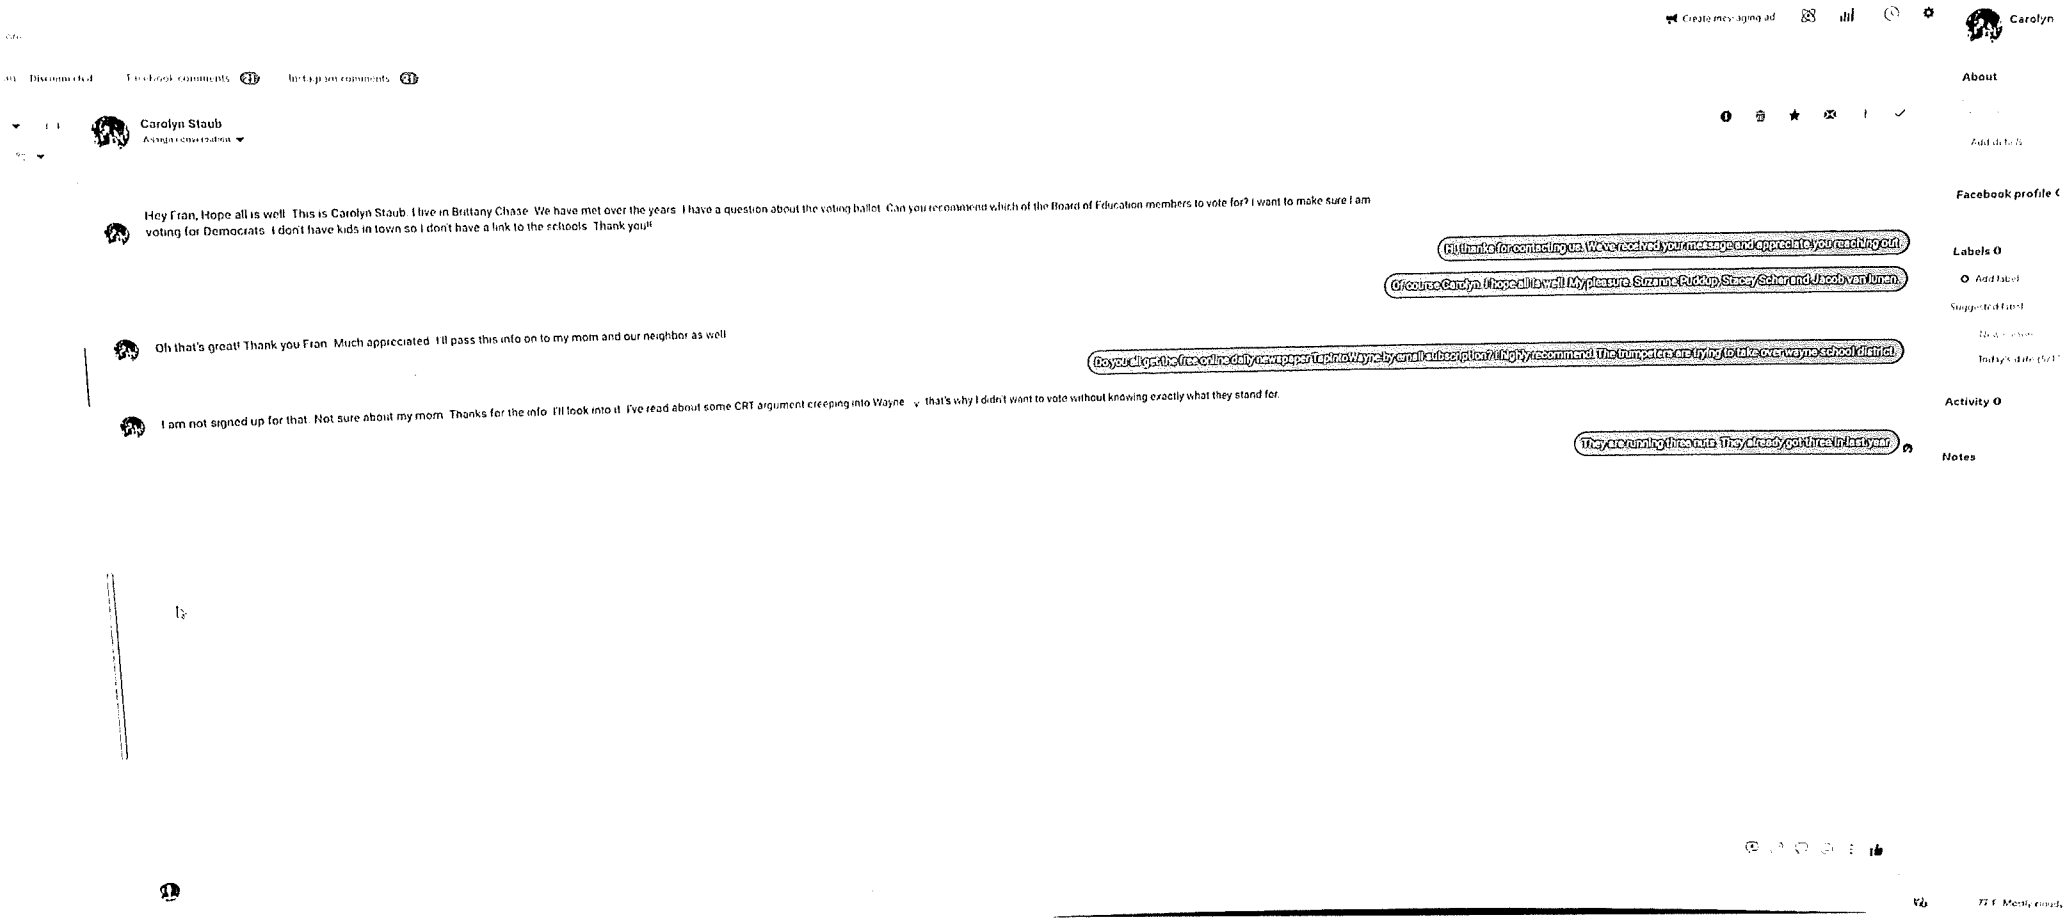

Thanks. Today the trash piled to one side by the front door isnt as bad as most days
Also, aside from that, as very much a Democrat, I applaud you gaining your seat in office and know you have considerable backing I wish you much success politically, for your sake and ours
Goodnite

Happy New Year Mr Baker I hope you are well. Has the door situation improved?

Hello Ms. Ritter, I am not sure if you would be able to assist/advise me, but I saw that you became the new board president for The Brittany Chase Condo Association in Wayne, NJ
Unfortunately I came across that case while researching what to do in my current situation. I have a similar issue and I am not sure how best to proceed or what. I am a bit in over my head and was hoping you can help advise Or provide me with a legal recommendation specializing in that area
I am currently in the process of submitting a complaint to the DCA, but I am not sure what else to do. I live in a community with over 500 residents that are being taken advantage of
500 units*
Ms. Bernicker- this page is limited to discussion in my capacity as Town Councilmember. I do not advise in such matters, but please feel free to contact me at the following email address so that I can try to direct you to someone who may be able to point you in the right direction.

Hi I am a Condo owner in North Brunswick where the same co you are suing is managing We are not treated fairly and want to know more about your case and correct procedure Today the board is no even accessible and no records are provided
Thank you so much for the info I did contact David Kurtz and he wants more detail so my friend is going to send him all the details as she is fighting single handedly We wish you success with the case. I have a strong feeling our case has similar pattern but they have scared home owners so much with fines that people are afraid to come out in open to support All of us are naive how to fight this very powerful and rich organization. Hope Mr Kurtz will show some way Thanks again
sending best wishes and great resolve for this issue you and your neighbors are facing!

Hey Fran, Hope all is well. This is Carolyn Staub. I live in Brittany Chase. We have met over the years. I have a question about the voting ballot. Can you recommend which of the Board of Education members to vote for? I want to make sure I am voting for Democrats. I don't have kids in town so I don't have a link to the schools. Thank you!!
Hi, thanks for contacting us. We've received your message and appreciate you reaching out.
Of course Carolyn. I hope all is well! My pleasure. Suzanne Ruddy, Stacey Scher and Jacob van Leuven.
Oh that's great! Thank you Fran. Much appreciated. I'll pass this info on to my mom and our neighbor as well.
Do you still get the free online daily newspaper Tap into Wayne by email subscription? (Highly recommend. The trumpeters are trying to take over wayne school district.
I am not signed up for that. Not sure about my mom. Thanks for the info. I'll look into it. I've read about some CRT argument creeping into Wayne ... that's why I didn't want to vote without knowing exactly what they stand for.
They are running three nuts. They already got three in last year.

Why are the town lampposts not lit that are adjacent to Pizzarama and Hamburg Turnpike? It is a dangerous and dark area when exiting the parking lot from Taekwondo

Hi Fran. Ellen Floman. Hope all is well. You did hear about Marc, right?

I'm sorry to have to tell you, Soto passed away a few days ago.

His heart. I had spoken w him end of September to see how he was faring w Hurricane Ian. He was up here already. He said he was having breathing issues and was seeing cardiologist the next day. He needed a new valve, he'd had a stent in June. He had an angiogram and things just went south from there.

Were u friends w him on Facebook

He just died a few days ago. Private funeral. There will be a celebration of his life, his wife will let me know. Give me your # and I can text u

Yes Melinda said you had been to the pool and he was there. D.idn't realize it was that long ago

He was still a football

Hi!! Thanks for contacting us! We've received your message and appreciate you reaching out.

No. What happened?

Oh my God I am horrified. What happened—by accident you can say?

We were dear friends when we were FB friends. Long story and now unimportant. I am so sorry for him and his family & friends. I had a mini reunion with him in my early teens when he was 16 or 17 visiting Windsor. He was adorable. I met up with him in person at the pool with Melinda. Approx 10 years ago. Last time I saw him in person. Too young to go and still funny as he always was.

I really appreciate you reaching out to me. It was time of memorial?

In November?

I live in Woods at Watrerview and there is a homeowner on my street whose truck is so loud that when he turns it on in the morning it sounds like a plane taking off. how can I find out if he is violating the Noise Code?
Hi Janet. Hope you and your family are safe and well. Thank you for your question. I performed a quick search and found Wayne Township Code Section 121- Noise- as relevant to the noise issue you are experiencing. The Township could dispatch a code official to measure the decibel levels of the noise at issue to determine if the level is violative. I suggest calling the Township Monday morning to request the help of a code official and hear what they have to say. If you do not get a satisfactory response, please let me know By emailing me at rritter@waynetownship.com. Lastly, I would recommend making recordings of the noise which won't provide an accurate decibel measurement but will help create a record of the problem you are experiencing. I hope you find this information helpful. Once again, please contact me via my Township email if you need further assistance with this issue. Stay safe and well. Fran Ritter

Thank you for your quick response. I had looked up the Noise Code on the Wayne website but then wasn't sure then whom to contact. Didn't know if this was part of building dept or zoning dept. I will call Monday and ask for a code official. I can foresee a problem that it is hard to pinpoint exact time when this noise happens. It's around my breakfast time, but varies. I will do a video with sound on my phone. At least it's rough evidence. I will let you know how this turns out. Thanks again. I've been dealing with this for months since this new person moved in. I'll save your email and use that for contacting you in the future.

Thank you for bringing the mayor's sneaky proposal to light. I voted for him for years. ..I don't like what I have been seeing for 2years now.

I love Wayne and grew here and the only thing keeping me here is the people . I contacted the Mayor about the economic commission last year...his email back to me was very harsh. .now he wants to get a raise on the sly. .the agenda doesn't have info on it. Thanks for posting it online. .I was at basketball with my son or I would of spoke too

And that live MIK at the end. At home we heard the councilman say oh fuck and where are the fuvkinh cookies. Real nice.

What will you and Wayne do for Foundational Black Americans that Built America and your town? We didnt FLEE here to America, our Ancestors built America and we Demand our Cash Reparations. slavery was Law on a Local, State and Federal level and theres No Statue of limitations on Human Rights Violations. We stand In our Ancestors shoes like the Jewish community. #CutTheCheck

Hello Councilwoman - I'm a reporter with NJ 101.5 News, who wrote previously about the proposal to switch the Mayor's post to full-time. Was wondering if you have a minute to chat about the latest? I'm at 848-863-5190. If not - I'd really appreciate a statement on the situation and whether pulling the amended ordinance would actually 'stop' the issue (I see your FB post on it). Thanks - Erin Vogt erin.vogt@townsqaremedia.com

thanks so much, Councilwoman!
Just want to check - you sent an email to: erin.vogt@townsqaremedia.com (our system can be very slow to vet mail at times)
Hi Erin,
Thank you for reaching out. This is my statement:
While the Mayor now wants his Full-Time Mayor Ordinance pulled from tonight's County B's meeting agenda, that can only be accomplished by a majority hearing and its final vote to approve the Mayor's Full-Time Mayor Ordinance tonight. And, if the Ordinance is pulled, it is unclear whether it will be brought

Good evening Councilwoman, I just wanted to say that I finally caught up to last night's meeting and I wanted to thank you for always fighting for what you believe in. I can't imagine it's easy to do, but I know you don't mind a good fight. The council, and town, needs you whether they know it or not.
Have a great night

As a life long conservative, I'm probably gonna get jumped on. But, what's right is right, and this whole situation stuck to high heaven.
Hi, thanks for contacting us. We've received your message and appreciate you reaching out.
It was widely unpopular across party lines. We got numerous emails and they came from everyone and everywhere in Wayne. This is a financial issue and it affects everyone. I'm happy people were engaged on this. Thank you David!
Keep it up and keep us posted!
Thank you David. Will do!

Verbal Confrontation at Wayne Town Council Meeting
WAYNE, NJ – This week's Wayne Town Council meeting featured a verbal confrontation between Fifth Ward Councilwoman Fran Ritter and several fellow council members along with Mayor Chris Vergano.
Typically you put contracts on the admin agenda as they have here. They view this contract as no different. The better question is why are we even considering renewing this contract. I voted no to this three years ago as well. Check out this article.

Ok thanks you. For the Mayor to say that 1 thing was about election season was sad. I don't expect that any of the members in the 5th ward or if they were that they would ever vote for me. The stipend is just the rig volunteers. Period.

Hi Councilwoman Ritter,
This is a Christina Fan with CBS2. I'm terribly sorry to be reaching out under these circumstances. We saw your post about the two young high schoolers from Wayne Hills High School who died in a car crash. I wanted to offer our deepest condolences for your loss.

We were hoping to honor both Christian and Liam in a tribute piece tonight and wanted to see if you or anyone else could shed some light on the impact they had on the community or their fellow students. Please let me know if it would be possible. I greatly appreciate your help. You can also reach me at (609) 933-4076.

Sincerely,
Christina

The new cleaning crew took it to take it out! I don't think that is their responsibility! I told them if they do it once, the tenant will always do it Is there any solution?
This isn't the only tenant. I have to on my floor Not looking to get anyone in trouble. Thank you for your responding

I saw your post about the safety crosswalks. My kids go to thenius Dey school. Pictured below is the vehicle approach to the student entry. In my opinion this presents the potential for disaster. It could be an accident where someone accidentally accelerates and hops the curb or something deliberate which is something we have to think of today. Perhaps some of these yellow concrete posts could be installed here to prevent such an occurrence. Not sure if another school may have a similar situation.

Hi Michael, thanks for contacting us. We received your message and appreciate you reaching out!

Thank you for this suggestion! I'd be happy to help however, I'll need to know which ward you live in so I can reach out to any of my council colleagues in case they have already or would first. I would like to extend courtesy to them.

Thanks for the reply. I haven't reached out to anyone. Really noticed it recently while pulling up to the school and thought about it. I'm not even sure who my district councilman is.

If you would like to please send me an email to my council address (first@wayne.nj.gov). This way I have a record of the request and can take it from there.

Awesome thank you! I'll confirm once sent to ensure you received it.

Email sent. Thank you!

Exactly awesome. Thank you!!

Marissa Sikder

Hi! My name is Marissa Sikder I am a Committee Member of Troop 102 in Wayne, we are sponsored by American Legion Post 174. I have some scouts who need to work on the communication Merit Badge and they were hoping to attend the council meeting on the 15th. I know some meetings can get a little "heated" so before I agreed to them coming I told their parents I would reach out to you and see what you thought about the meeting first

Hi! Thank you for the response. My number is [redacted]

[redacted]

Sorry. Fingers slipped there

Hi! Thanks for reaching out. We've not had any items on the agenda for the upcoming meeting yet. Please send me your number and we can discuss. It will only be my opinion, but I'm happy to accept and field questions.

Do you realiize what Councilwoman Fran Ritter did for us here? $15+ million for Valley Rd. Improvements is a game changer. Fixing the most dangerous road in Wayne will save lives and make driving so much easier. Thank you, Councilwomen Fran Ritter, 5th Ward, for never giving up on getting this project realized. Thats what a dedicated public servant can do when not bogged down in bashing the county. Well done! That's why you deserve...

Hi Councilwoman! I was hoping you could help me with something but let me provide you with a little backup Earlier this year, residents and business people in Lincoln Park formed the Lincoln Park Business Owners Association One of the members, Gary & Megs Chicken and Ribs is located in Wayne but the owners reside in Lincoln Park Anyway, they said something about a "expensive government process that is causing a roadblock and would cost approximately $20,000." I was just wondering if you would be able to enlighten me on what they are talking about. Do you know anything about their situation? If so, would you be able to provide any assistance or explanation? The business owners association would love to have a fundraiser to support this business but they were also wondering if there is anymore to the story and asked me to reach out.
thank you

When are you available to talk?
