for a term of 35 years

SEE PARAGRAPH 29th.

Upon the following Conditions and Covenants:

1st: The Tenant covenants and agrees to pay to the Landlord, as rent for and during the term hereof, the sum of
-----ONE (\$1.00) DOLLAR-----in the following manner:

Upon the execution of this lease.

2nd: The Tenant has examined the premises and has entered into this lease without any representation on the part of the Landlord as to the condition thereof. The Tenant shall take good care of the premises and shall at the Tenant's own cost and expense, make all repairs, including painting and decorating, and shall maintain the premises in good condition and state of repair, and at the end or other expiration of the term hereof, shall deliver up the rented premises in good order and condition, wear and tear from a reasonable use thereof, and damage by the elements not resulting from the neglect or fault of the Tenant, excepted. The Tenant shall neither encumber nor obstruct the sidewalks, driveways, yards, entrances, hallways and stairs, but shall keep and maintain the same in a clean condition, free from debris, trash, refuse, snow and ice.

3rd: The Tenant shall promptly comply with all laws, ordinances, rules, regulations, requirements and directives of the Federal, State and Municipal Governments or Public Authorities and of all their departments, bureaus and subdivisions, applicable to and affecting the said premises, their use and occupancy, for the correction, prevention and abatement of nuisances, violations or other grievances in, upon or connected with the said premises, during the term hereof; and shall promptly comply with all orders, regulations, requirements and directives of the Board of Fire Underwriters or similar authority and of any insurance companies which have issued or are about to issue policies of insurance covering the said premises and its contents, for the prevention of fire or other casualty, damage or injury, at the Tenant's own cost and expense.

4th: The Tenant shall not assign, mortgage or hypothecate this lease, nor sublet or sublease the premises or any part thereof; nor occupy or use the leased premises or any part thereof, nor permit or suffer the same to be occupied or used for any purposes other than as herein limited, nor for any purpose deemed unlawful, disreputable, or extra hazardous, on account of fire or other casualty.

5th: No alterations, additions or improvements shall be made, and no climate regulating, air conditioning, cooling, heating or sprinkler systems, television or radio antennas, heavy equipment, apparatus and fixtures, shall be installed in or attached to the leased premises, without the written consent of the Landlord. Unless otherwise provided herein, all such alterations, additions or improvements and systems, when made, installed in or attached to the said premises, shall belong to and become the property of the Landlord and shall be surrendered with the premises and as part thereof upon the expiration or sooner termination of this lease, without hindrance, molestation or injury.

6th: In case of fire or other casualty, the Tenant shall give immediate notice to the Landlord. If the premises shall be partially damaged by fire, the elements or other casualty, the Landlord shall repair the same as speedily as practicable, but the Tenant's obligation to pay the rent hereunder shall not cease. If, in the opinion of the Landlord, the premises be so extensively and substantially damaged as to render them untenable, then the rent shall cease until such time as the premises shall be made tenable by the Landlord. However, if, in the opinion of the Landlord, the premises be totally destroyed or so extensively and substantially damaged as to require practically a rebuilding thereof, then the rent shall be paid up to the time of such destruction and then and from thenceforth this lease shall come to an end. In no event however, shall the provisions of this clause become effective or be applicable, if the fire or other casualty and damage shall be the result of the carelessness, negligence or improper conduct of the Tenant or the Tenant's agents, employees, guests, licensees, invitees, subtenants, assignees or successors. In such case, the Tenant's liability for the payment of the rent and the performance of all the covenants, conditions and terms hereof on the Tenant's part to be performed shall continue and the Tenant shall be liable to the Landlord for the damage and loss suffered by the Landlord. If the Tenant shall have been insured against any of the risks herein covered, then the proceeds of such insurance shall be paid over to the Landlord to the extent of the Landlord's costs and expenses to make the repairs hereunder, and such insurance carriers shall have no recourse against the Landlord for reimbursement.

7th: The Tenant agrees that the Landlord and the Landlord's agents, employees or other representatives, shall have the right to enter into and upon the said premises or any part thereof, at all reasonable hours, for the purpose of examining the same or making such repairs or alterations therein as may be necessary for the safety and preservation thereof. This clause shall not be deemed to be a covenant by the Landlord nor be construed to create an obligation on the part of the Landlord to make such inspection or repairs.

8th: The Tenant agrees to permit the Landlord and the Landlord's agents, employees or other representatives to show the premises to persons wishing to rent or purchase the same, and Tenant agrees that on and after next preceding the expiration of the term hereof, the Landlord or the Landlord's agents, employees or other representatives shall have the right to place notices on the front of said premises or any part thereof, offering the premises for rent or for sale; and the Tenant hereby agrees to permit the same to remain thereon without hindrance or molestation.

Glass, etc.
Damage
Repairs

10th: In case of the destruction of or any damage to the glass in the leased premises, or the destruction of or damage of any kind whatsoever to the said premises, caused by the carelessness, negligence or improper conduct on the part of the Tenant or the Tenant's agents, employees, guests, licensees, invitees, subtenants, assignees or successors, the Tenant shall repair the said damage or replace or restore any destroyed parts of the premises, as speedily as possible, at the Tenant's own cost and expense.

Signs

10th: The Tenant shall not place nor allow to be placed any signs of any kind whatsoever, upon, in or about the said premises or any part thereof, except of a design and structure and in or at such places as may be indicated and consented to by the Landlord in writing. In case the Landlord or the Landlord's agents, employees or representatives shall deem it necessary to remove any such signs in order to paint or make any repairs, alterations or improvements in or upon said premises or any part thereof, they may be so removed, but shall be replaced at the Landlord's expense when the said repairs, alterations or improvements shall have been completed. Any signs permitted by the Landlord shall at all times conform with all municipal ordinances or other laws and regulations applicable thereto.

Non-Liability of
Landlord

11th: The Landlord shall not be liable for any damage or injury which may be sustained by the Tenant or any other person, as a consequence of the failure, breakage, leakage or obstruction of the water, plumbing, steam, sewer, waste or soil pipes, roof, drains, leaders, gutters, valleys, downspouts or the like or of the electrical, gas, power, conveyor, refrigeration, sprinkler, airconditioning or heating systems, elevators or hoisting equipment; or by reason of the elements; or resulting from the carelessness, negligence or improper conduct on the part of any other Tenant or of the Landlord or the Landlord's or this or any other Tenant's agents, employees, guests, licensees, invitees, subtenants, assignees or successors; or attributable to any interference with, interruption of or failure, beyond the control of the landlord, of any services to be furnished or supplied by the Landlord.

Mortgage
Priority

12th: This lease shall not be a lien against the said premises in respect to any mortgages that may hereafter be placed upon said premises. The recording of such mortgage or mortgages shall have preference and precedence and be superior and prior in lien to this lease, irrespective of the date of recording and the Tenant agrees to execute any instruments, without cost, which may be deemed necessary or desirable, to further effect the subordination of this lease to any such mortgage or mortgages. A refusal by the Tenant to execute such instruments shall entitle the Landlord to the option of cancelling this lease, and the term hereof is hereby expressly limited accordingly.

Security

13th: The Tenant has this day deposited with the Landlord the sum of \$ _____ as security for the payment of the rent hereunder and the full and faithful performance by the Tenant of the covenants and conditions on the part of the Tenant to be performed. Said sum shall be returned to the Tenant, without interest, after the expiration of the term hereof, provided that the Tenant has fully and faithfully performed all such covenants and conditions and is not in arrears in rent. During the term hereof, the Landlord may, if the Landlord so elects, have recourse to such security, to make good any default by the Tenant, in which event the Tenant shall, on demand, promptly restore said security to its original amount. Liability to repay said security to the Tenant shall run with the reversion and title to said premises, whether any change in ownership thereof be by voluntary alienation or as the result of judicial sale, foreclosure or other proceedings, or the exercise of a right of taking or entry by any mortgagee. The Landlord shall assign or transfer said security, for the benefit of the Tenant, to any subsequent owner or holder of the reversion or title to said premises, in which case the assignee shall become liable for the repayment thereof as herein provided, and the assignor shall be deemed to be released by the Tenant from all liability to return such security. This provision shall be applicable to every alienation or change in title and shall in no wise be deemed to permit the Landlord to retain the security after termination of the Landlord's ownership of the reversion or title. The Tenant shall not mortgage, encumber or assign said security without the written consent of the Landlord.

Increase of
Insurance
Rates

14th: If for any reason it shall be impossible to obtain fire and other hazard insurance on the building and improvements on the leased premises, in an amount and in the form and in insurance companies acceptable to the Landlord, the Landlord may, if the Landlord so elects at any time thereafter, terminate this lease and the term hereof, upon giving to the Tenant fifteen days notice in writing of the Landlord's intention so to do, and upon the giving of such notice, this lease and the term thereof shall terminate. If by reason of the use to which the premises are put by the Tenant or character of or the manner in which the Tenant's business is carried on, the insurance rates for fire and other hazards shall be increased, the Tenant shall upon demand, pay to the Landlord, as rent, the amounts by which the premiums for such insurance are increased. Such payment shall be paid with the next installment of rent but in no case later than one month after such demand, whichever occurs sooner.

Utilities

15th: The Tenant shall pay when due all the rents or charges for water or other utilities used by the Tenant, which are or may be assessed or imposed upon the leased premises or which are or may be charged to the Landlord by the suppliers thereof during the term hereof, and if not paid, such rents or charges shall be added to and become payable as additional rent with the installment of rent next due or within 30 days of demand therefor, whichever occurs sooner.

Condemna-
tion
Eminent
Domain

16th: If the land and premises leased herein, or of which the leased premises are a part, or any portion thereof, shall be taken under eminent domain or condemnation proceedings, or if suit or other action shall be instituted for the taking or condemnation thereof, or if in lieu of any formal condemnation proceedings or actions, the Landlord shall grant an option to purchase and or shall sell and convey the said premises or any portion thereof, to the governmental or other public authority, agency, body or public utility, seeking to take said land and premises or any portion thereof, then this lease, at the option of the Landlord, shall terminate, and the term hereof shall end as of such date as the Landlord shall fix by notice in writing; and the Tenant shall have no claim or right to claim or be entitled to any portion of any amount which may be awarded as damages or paid as the result of such condemnation proceedings or paid as the purchase price for such option, sale or conveyance in lieu of formal condemnation proceedings; and all rights of the Tenant to damages, if any, are hereby assigned to the Landlord. The Tenant agrees to execute and deliver any instruments, at the expense of the Landlord, as may be deemed necessary or required to expedite any condemnation proceedings or to effectuate a proper transfer of title to such governmental or other public authority, agency, body or public utility seeking to take or acquire the said lands and premises or any portion thereof. The Tenant covenants and agrees to vacate the said premises, remove all the Tenant's personal property therefrom and deliver up peaceable possession thereof to the Landlord or to such other party designated by the Landlord in the aforementioned notice. Failure by the Tenant to comply with any provisions in this clause shall subject the Tenant to such costs, expenses, damages and losses as the Landlord may incur by reason of the Tenant's breach hereof.

Remedies
upon
Tenant's
Default

17th: If there should occur any default on the part of the Tenant in the performance of any conditions and covenants herein contained, or if during the term hereof the premises or any part thereof shall be or become abandoned or deserted, vacated or vacant, or should the Tenant be evicted by summary proceedings or otherwise, the Landlord, in addition to any other remedies herein contained or as may be permitted by law, may either by force or otherwise, without being liable for prosecution therefor, or for damages, re-enter the said premises and the same have and again possess and enjoy; and as agent for the Tenant or otherwise, re-let the premises and receive the rents therefor and apply the same, first to the payment of such expenses, reasonable attorney fees and costs, as the Landlord may have been put to in re-entering and repossessing the same and in making such repairs and alterations as may be necessary; and second to the payment of the rents due hereunder. The Tenant shall remain liable for such rents as may be in arrears and also the rents as may accrue subsequent to the re-entry by the Landlord, to the extent of the difference between the rents reserved hereunder and the rents, if any, received by the Landlord during the remainder of the unexpired term hereof, after deducting the aforementioned expenses, fees and costs; the same to be paid as such deficiencies arise and are ascertained each month.

Termination
on Default

18th: Upon the occurrence of any of the contingencies set forth in the preceding clause, or should the Tenant be adjudicated a bankrupt, insolvent or placed in receivership, or should proceedings be instituted by or against the Tenant for bankruptcy, insolvency, receivership, agreement of composition or assignment for the benefit of creditors, or if this lease or the estate of the Tenant hereunder shall pass to another by virtue of any court proceedings, writ of execution, levy, sale, or by operation of law, the Landlord may, if the Landlord so elects, at any time thereafter, terminate this lease and the term hereof, upon giving to the Tenant or to any trustee, receiver, assignee or other person in charge of or acting as custodian of the assets or property of the Tenant, five days notice in writing, of the Landlord's intention so to do. Upon the giving of such notice, this lease and the term hereof shall end on the date fixed in such notice as if the said date was the date originally fixed in this lease for the expiration hereof; and the Landlord shall have the right to remove all persons, goods, fixtures and chattels therefrom, by force or otherwise, without liability for damages.

Removal of
Tenant's
Property

19th: Any equipment, fixtures, goods or other property of the Tenant, not removed by the Tenant upon the termination of this lease, or upon any quitting, vacating or abandonment of the premises by the Tenant, or upon the Tenant's eviction, shall be considered as abandoned and the Landlord shall have the right, without any notice to the Tenant, to sell or otherwise dispose of the same, at the expense of the Tenant, and shall not be accountable to the Tenant for any part of the proceeds of such sale, if any.

Reimburse-
ment of
Landlord

20th: If the Tenant shall fail or refuse to comply with and perform any conditions and covenants of the within lease, the Landlord may, if the Landlord so elects, carry out and perform such conditions and covenants, at the cost and expense of the Tenant, and the said cost and expense shall be payable on demand, or at the option of the Landlord shall be added to the installment of rent due immediately thereafter but in no case later than one month after such demand, whichever occurs sooner, and shall be due and payable as such. This remedy shall be in addition to such other remedies as the Landlord may have hereunder by reason of the breach by the Tenant of any of the covenants and conditions in this lease contained.

Non-Per-
formance
by Landlord

21st: This lease and the obligation of the Tenant to pay the rent hereunder and to comply with the covenants and conditions hereof, shall not be affected, curtailed, impaired or excused because of the Landlord's inability to supply any service or material called for herein, by reason of any rule, order, regulation or preemption by any governmental entity, authority, department, agency or subdivision or for any delay which may arise by reason of negotiations for the adjustment of any fire or other casualty loss or because of strikes or other labor trouble or for any cause beyond the control of the Landlord.

Validity
of Lease

22nd: The terms, conditions, covenants and provisions of this lease shall be deemed to be severable. If any clause or provision herein contained shall be adjudged to be invalid or unenforceable by a court of competent jurisdiction or by operation of any applicable law, it shall not affect the validity of any other clause or provision herein, but such other

23rd: The various rights, remedies, options and elections of the Landlord, expressed herein, are cumulative, and the failure of the Landlord to enforce strict performance by the Tenant of the conditions and covenants of this lease or to exercise any election or option or to resort or have recourse to any remedy herein conferred or the acceptance by the Landlord of any installment of rent after any breach by the Tenant, in any one or more instances, shall not be construed or deemed to be a waiver or a relinquishment for the future by the Landlord of any such conditions and covenants, options, elections or remedies, but the same shall continue in full force and effect.

24th: All notices required under the terms of this lease shall be given and shall be complete by mailing such notices by certified or registered mail, return receipt requested, to the address of the parties as shown at the head of this lease, or to such other address as may be designated in writing, which notice of change of address shall be given in the same manner.

25th: The Landlord covenants and represents that the Landlord is the owner of the premises herein leased and has the right and authority to enter into, execute and deliver this lease; and does further covenant that the Tenant on paying the rent and performing the conditions and covenants herein contained, shall and may peaceably and quietly have, hold and enjoy the leased premises for the term aforementioned.

26th: This lease contains the entire contract between the parties. No representative, agent or employee of the Landlord has been authorized to make any representations or promises with reference to the within letting or to vary, alter or modify the terms hereof. No additions, changes or modifications, renewals or extensions hereof, shall be binding unless reduced to writing and signed by the Landlord and the Tenant.

27th: Tenant covenants and agrees that it will obtain liability insurance naming the Landlord as an insured party, covering all persons using the premises, either as spectator or participant, for personal injury and property damage either to themselves or to others.
