Subject: OPRA request - Crash Report - 12/25/2025 EMS Strikes Two Pedestrians

Dear New Brunswick City,

Please accept this electronic request for public records made under the OPRA, NJ Rev Stat § 39:4-131, and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-5(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL NOT use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.

Records requested: a complete copy of the NJ-TR1 report for the motor vehicle crash incident on Remsen Avenue at approximately 9:36pm on 12/25/25. I previously requested a copy of this report in person from the records window, but I was informed it was not yet ready. I would like a complete, unredacted copy pursuant to common law as this incident involved a vehicle in service pursuant to a contract with the city government and funded by the county.

My preferred delivery method for response(s) to this request is by E-mail as attachments. Please confirm you have received this request. Thanks.

Yours faithfully,

Charlie Kratovil
