Motor Vehicle Crash Description	Station _____	Case No. <u>17-40577</u>

New Jersey Police Crash Investigation Report	Police Dept. <u>Piscataway</u>	Code <u>01</u>
Motor Vehicle Crash Description	Station _____	Case No. <u>17-40577</u>

On August 22, 2017 at 20:30 hours, I was dispatched to New Brunswick and Cedarwood Drive on a report of a pedestrian struck by a motor vehicle. Upon arrival, the South Plainfield Police Department was on location and had the road closed off. The victim, a 15 year old female Tiffany Pham was lying on New Brunswick Ave, unresponsive from the collision, breathing on her own. Tiffany was unable to provide any details on what had occurred due to her debilitating injuries.

The suspect vehicle had fled the scene prior to Police arrival. North Stelton Rescue Squad responded out to the scene and transport Tiffany to Robert Wood Johnson University Hospital.

South Plainfield Officer, Molinaro spoke with witness one Vincent Lee, who stated he was travel East on Cedarwood Drive, when he observed Tiffany running West towards Cedarwood Drive. Vincent further advised Tiffany appeared to a upset, and was running on the side of the road heading West not wearing any shoes. Vincent then turned his vehicle around to offer his assistance, however as he drove into the intersection he observed the victim on the ground. Vincent then blocked the intersection with his vehicle and awaited Police arrival. Vincent related he did not witness the crash and did not have a description of the suspect vehicle.

Officer Molinaro and I then had an opportunity to speak with witness two, Bhrianna Farmer, who stated she was the second vehicle at the intersection. Bhrianna related at the time of the hit and run, she observed a dark color vehicle, 4 door sedan disregard a red light at the intersection. The suspect vehicle was traveling South on New Brunswick Ave. Bhrianna further stated she did not witness the crash, however drove past the intersection and observed the victim on the ground. Bhrianna was devastated from witnessing the female on the ground and returned back to the scene with her parents.

Upon arrival to the scene, I also spoke with Tiffany's mother who was at the scene. The mother stated Tiffany rushed out of her home after having a verbal dispute. The mother advised Tiffany currently started a new anti-psychotic medication. The mother stated she did not witness the crash.

The victim's injuries consisted of a Femur fracture, broken collarbone bone and brain hemorrhaging. While at the scene, the victim went into a seizure for the crash.

Piscataway Traffic Safety responded to the crash scene and took control of the investigation.
