Re: OPRA Request 22.08-594

Dear Requestor:

My office is in receipt of your OPRA request dated August 19, 2022 which requests crash reports *"involving a collision between a motor vehicle and an individual not inside a motor vehicle"*. The New Brunswick Police Department's search parameters cannot conclusively search for *"individuals not inside a motor vehicle"*. The capabilities of the reporting system only allow a specific search of crash reports involving pedestrians, motorcycles, bicyclists, and animals (which are attached). Any additional records would require research by the police department. However, The New Brunswick Police Department makes all motor vehicle crash reports accessible to the public, free-of-charge on the City's website. See the link below which will give you access to all the crash reports, where you can research for any other crash reports *"involving individuals not inside a motor vehicle"*, separate of which has been provided to you.

Thank you for your interest in this matter and if my office can be of any further assistance, please do not hesitate to contact us.

Sincerely,

Lieutenant Amish Shah
