PUBLIC RECORDS REQUEST RESPONSE

Page 2 of 2

This office is in receipt of your request for public records made under OPRA and the common law right of access, specifically the CAD or arrest reports associated with Christopher Bucceroni and the incident occurring in June of 2024 in Gloucester Township.

With regard to your request, criminal investigatory records are not public records and have not been produced as they are exempt from OPRA. N.J.S.A. 47:1A-1.1, et seq. Please be advised this is an open and pending investigation.

Nonetheless, please see the attached copy of the following redacted public record responsive to your request as the Camden County Prosecutor's Office understands it:

- (1) Redacted CAD Report – Gloucester Township Case No. 2024-29635 - redacted personal identifiers (addresses, DOBs, telephone numbers, license plate/VIN numbers, victim/potential witness information) and narrative/incident report language which is considered criminal investigatory.

The Camden County Prosecutor's Office also reserves the right to raise any other ground for denial not raised in this response. The failure of the Camden County Prosecutor's Office to assert an exception or privilege does not act as a waiver of any ground for denial.

You have a right to appeal the decision that the document or documents are not public records. You may take your appeal to the Public Records Council or to the New Jersey Superior Court as provided by N.J.S.A. 47:1A-6 and -7.

A handwritten signature in black ink, appearing to be "A/P" followed by a stylized name.
