RE: BTAA Memorandum dated June 6, 2019

Dear Mr. Prima:

As you are aware, I represent the Berkeley Township Board of Education in labor matters. As per our recent conversation, the Board is in receipt of your correspondence on behalf of the Association dated June 6, 2019. The Board recognizes the cooperative professional rapport it has with the Association and desires to continue that positive relationship. In order to expeditiously resolve the issues raised in the memorandum of June 6, 2019, the Board proposes an agreement as follows:

1. The Board agrees that committee reports shall avoid specific reference to Association members' names and that the Board will observe an employee's right to notice and to have discussions regarding issues that could impact a specific employee's terms and conditions of employment held in executive session unless a public discussion is requested by the employee as per Rice v. Union, 155 N.J.Super. 64 (App.Div.1977).
2. Mileage reimbursements shall be granted based upon applicable State Statutes and Regulations, Board Policies and Regulations, and applicable terms of the Agreement between the BTAA and the Board and shall not be denied for arbitrary and capricious reasons.
3. By entering into this Agreement, neither party admits or acknowledges any wrongdoing or violation of law.
4. This matter shall be considered concluded without the need for further action by either party other than to act consistent with the agreement herein.

If the above terms are satisfactory, please execute in the space provided below.

Very truly yours,

/s Patrick F. Carrigg

- B. Unless otherwise indicated, the term "Administrators", when used hereinafter in this Agreement, shall refer to all employees of the negotiating unit represented by the Association.

ARTICLE 2

NEGOTIATION PROCEDURE

- A. The parties agree to enter into collective negotiations over a successor Agreement in accordance with Chapter 303, Public Laws of 1968, in a good-faith effort to reach agreement on all matters concerning the terms and conditions of principals' employment. Such negotiations shall begin not later than the date set by the Public Employment Relations Commission in the year preceding the calendar year in which this Agreement expires. Any Agreement so negotiated shall apply to all employees recognized in Article 1, be reduced to writing, be signed by the Board and Association, and be adopted by the Board.
- B. During negotiations, the Board and the Association shall present relevant data, exchange points of view and make proposals and counter-proposals. The Board shall make available to the Association for inspection all pertinent records, data and information of the Berkeley Township School District that fall within the public domain.
- C. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party. The parties mutually pledge that their representatives shall be clothed with the necessary power and authority to make proposals, consider proposals, and make counter-proposals in the course of negotiations.

- D. Except as this Agreement shall hereinafter otherwise provide, proposed new rules or modifications of existing rules governing working conditions shall be negotiated with the majority representatives before they are established.
- E. The Board agrees not to negotiate concerning said employees in the negotiating unit as defined in Article 1 of this Agreement, with any organization other than the Association for the duration of this Agreement.
- F. This Agreement incorporates the entire understanding of the parties on all matters which were or could have been the subject of negotiations. During the term of this Agreement neither party shall be required to negotiate with respect to any such matter whether or not covered by the Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement.
- G. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE 3

GRIEVANCE PROCEDURE

- A. A grievance shall mean a complaint by administrators that there has been a misinterpretation, misapplication, or violation of policies, agreements, or administrative decisions affecting them as listed in this contract Agreement. With respect to their grievances, the administrators shall be assured freedom from restraint, interference, coercion, discrimination or reprisal in presenting their appeal. An employee shall have the right to present his/her own appeal or to designate the Berkeley Township Administrators' Association as his representative, or any other representative of his/her own choosing, to appear with him/her, or, in case of emergency, for him/her, at any step on his/her appeal after the informal meeting with the Superintendent.
- B. Non-renewal of a non-tenured administrator contract is not subject to the grievance procedure provided the administrator has been evaluated according to the established evaluation procedures.
 - 1. Any administrator who has a grievance shall discuss it first with the Superintendent or the Superintendent's designated representative in an attempt to resolve the matter informally at that level.
 - 2. If, as a result of this discussion, the matter is not resolved to the satisfaction of the administrator within fifteen (15) school days, he/she shall set forth his/her complaint in writing to the Superintendent. If a formal, written grievance is not presented by the aggrieved party within a period of twenty-five (25) school days after the misinterpretation, misapplication, or violation of policies, agreements or administrative decisions affecting him/her, then the grievance shall be disallowed. A report of the grievance must be kept on file with the Board Office irrespective of the outcome of the matter.
 - 3. The grievance letter submitted to the Superintendent shall contain a request for a

formal meeting with the Superintendent within five (5) school days after the Superintendent's receipt of the complaint. The administrator may request representation at this formal meeting by any member of the Administrators' Association. If the administrator chooses to have another member of the Administrators' Association represent him/her at this formal meeting, the administrator must be in attendance with the representative and the Superintendent at the formal meeting. Following this formal meeting, the Superintendent shall communicate his/her decision to the administrator in writing within three (3) school days.

4. If the grievance is not resolved to the employee's satisfaction, he/she may request a review by the Board of Education. The request for review shall be submitted in writing through the Superintendent who shall attach all related papers and forward the request to the Board of Education. The Board of Education shall render a written decision to the Association within a period not to exceed thirty (30) calendar days after the matter was heard by the Board. At any meeting with the Board, the employee may be represented by any persons of his/her choosing, but the principal must attend this meeting along with the representative.
5.
 - a. If the aggrieved person is not satisfied with the disposition of his/her grievances at Level Four, or if no decision has been rendered within thirty (30) calendar days after the grievance was heard by the Board, he/she may, within five (5) calendar days of the decision or thirty five (35) calendar days of when the grievance was heard by the Board, request in writing that the Chairman of the Association submit his/her grievance to arbitration. The Association may submit the grievance to arbitration within ten (10) calendar days after receipt of a request by the aggrieved person. The Association should go through appropriate channels to avoid disparagement of the Board.
 - b. Within ten (10) calendar days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment with the specific period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in selection of an arbitrator.
 - c. The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue his decision not later than thirty (30) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be advisory on the parties.

- d. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

C. Miscellaneous

1. If, in the judgment of the Berkeley Township Administrators' Association, a grievance affects a group or class of administrators the Berkeley Township Administrators' Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at the Superintendent's level.
2. Forms for filing grievances, servicing notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
3. All meetings and hearings under this procedure shall not be conducted in public and shall include such parties in interest and their designed selected representative, heretofore referred to this Article.
4. The aggrieved party shall not be excused from performance of duty until the grievance is resolved.
5. All grievances under section 2, 3, and 4 shall be in writing, shall specify the section of the contract, the Board Policy or the administrative decision within the definition of a grievance above, the date of the violation, and relief sought.
