Narrative:	
Narrative On July 15, 2014 at 10:34 PM, I was dispatched to 30th and Ocean for a report of an erratic driver. The vehicle was described as a possible gray F-150 coming into town. I observed a gray F-150 make a left turn onto Ocean Drive at 30th Street, matching the description given by the caller. I stopped the vehicle in the 2600 block of Ocean Drive and made contact with the driver. I did not observe any violations. Dispatch stated the caller described the driving as erratic, driving 90 mph, and crossing the yellow line. The caller did not wish to sign against the driver. I cleared with no further cause for action.

Narrative:

Narrative
On 01/06/2015, I was dispatched to 25 West 10th Street for a report of a broken glass door. Upon my arrival, I observed an approximately 5 inch break in the glass of the right front door. The door was made of wood and had approximately 5 inches wide by 3 foot tall glass in its center. There was two layers of glass so the break did not penetrate both layers. I was able to recognize the home from a prior false alarm call on 11/19/2014 (case #14-07923) in which, the glass was broken. Contractor, Edward Mascia was on site on 11/19/2014 and explained, the glass was accidentally broken awaiting the homeowner to replace the door. The home was secure and appeared to be in order. Following a property check there were no further signs of forced entry.
