Dear Requestor,

We received your Open Public Records Act ("OPRA") request dated **August 5, 2025** on **August 6, 2025**. As such, the seven (7) business day deadline to respond to your request is **August 15, 2025**. We are providing you with a response to the **Paramus Police Department** items in your request in a timely manner in accordance with New Jersey Law.

This request sought access to the following:

With regard to CAD logs, dispatcher logs, police journal entry records, investigation reports, citations, summonses issued, crash reports, total stations diagrams, accident reconstruction diagrams and reports:

Response: Denied – No Records Responsive

With regard to dispatch recordings, 911 tapes, vehicle reports, records of warnings, charge sheets, dashboard camera video:

Response: This request seeks information or asks questions and does not identify specific government records. **As such, this request is overbroad and is denied.** When a request is "complex" because it fails to specifically identify the documents sought, then that request is not "encompassed" by OPRA. See **New Jersey Builders Association v. New Jersey Council on Affordable Housing, 390 N.J.Super. 166, 180 (App. Div. 2007)**. A proper request under OPRA must identify with reasonable clarity those documents that are desired, and a party cannot satisfy this requirement by simply requesting all of an agency's documents. See **Bent v. Stafford Police Department, 381 N.J.Super. 30, 37 (App. Div. 2005)**. Custodians are not required to conduct research or create new records in response to an OPRA request

Your OPRA request is now deemed answered and closed. If we can be of any further assistance please feel free to contact us at 201-262-3400.
