November 19, 2019

(via Online Meeting)

10:00 am-11:00 am

Attendees: Debbie Esposito, Essy Bragg, Barbara Korcuba, Dr. Riccardi, Mr. Nesmith, Dr. Cooper, Arlene West

10:00 – 10:05

Welcome & Introductions

*New Members

- Barbara Korcuba introduced herself

10:05 – 10:50

Old Business

- Engaging staff to build SEPAG awareness
 - SEPAG Guide training for staff (offered via online platform)
 - **Debbie will offer 45-minute training sessions to staff on SEPAG. Will include informational and Q&A sessions.**
 - Dr. Riccardi asked if teachers would be able to receive professional development hours. **Debbie will look into.**
 - Training would take place after school hours.
 - Schools 1-4: 4:00
 - Schools 5-6: 3:30
 - Middle School: 3:00
 - High School: 2:00
 - **Debbie will give Dr. Riccardi dates in January**

-
- Create a flyer/card for staff to refer parents
 - **Dr. Riccardi stated that each school has a section for informational flyers and that we should be able to include ours. Pending approval.**
 - Flyers would be available to teachers and Child Study teams
 - It was asked the Graphic Arts class would be able to help us design a pamphlet. **Dr. Riccardi wasn't clear on whether this would be an option. Further inquiry would be needed.**

 - Goal Setting: Define goals for 2019 -2020 school year
 - It was decided that at this point in the school year, we would concentrate on two goals for the remainder of this school year.
 - **Our first goal would be to build awareness of the SEPAG to the school staff.** This would be achieved by the previous discussed training sessions and flyer. (see notes above)
 - **Our second goal would be to create more inclusive social opportunities for Special Ed. Students.**
 - It was suggested that with colder weather approaching, there was an opportunity to be able to facilitate social interactions between Gen. Ed Student and Special Ed. Student by offering the opportunity to sit and play games together while staying indoors during lunch. Interactions between student can be observed and encouraged by a staff member.
 - It was decided to start this with the lower elementary schools. **Dr. Riccardi will speak to the principals in December and get their feedback on the idea and how it may work in their school. We are hoping that a program will be in place come January.**
-

-
- Resume discussion concerning meeting cadence and times
 - It was brought up that attending morning meetings is not feasible for most working parents. Since the group only meets once every other month, evening meetings alternating between in-person and online would be a reasonable compromise so that all parties would be able to participate. **Dr. Riccardi said that he could not make that decision without discussing with Mr. Nesmith.**

New Business

- Update on Parent Share meeting
- Revisit website and include SEPAG committee member contact information
 - It was asked again about putting the contact info for the SEPAG directly on the school website. Dr. Riccardi stated that the district would like parents to contact someone from the school first, but that he would go back and ask again. Debbie gave him the examples of Cherry Hill, Swedesboro, and Washington Twp. as examples of districts that have SEPAG info on their websites,
