Dear Municipal Clerk,

Also i believe there is an issue with the scan on document "dave s email part 4" pg 3, the subject of the email would have appeared to be "rental registration" based on the heading on the printed page as of 1/30/19 @ 10:52 am but all contents and proper email formatting are missing with the exception of the words "Thanks,"

GENERAL BUSINESSES

1. Complete the Pre-Application form and submit it to the Office of Licensing. This form is to obtain an approval from the Zoning Office to operate your particular type business at your specific location.
2. Within two weeks, the Office of Licensing will notify you of the decision and your fee information.
3. If approved, fill out the Mercantile License Application and return it by mail or in person to the Office of Licensing with the following:
 - A. If your business is a corporation or a LLC, put a sharp and clear impression of your corporate seal on the white copy only of the application. If you do not have a corporate seal, please include a copy of your corporation or LLC formation papers. **NOTE:** If your corporation or LLC uses a fictitious or alternate name, you must include a copy of the paperwork issued by the Secretary of State giving your authorization to use that name.
 - B. If you are a sole proprietor or a partnership in New Jersey and using a trade name, include a copy of your "Trade Name Registration" from the County Clerk's office where you registered that name. See attached for information in obtaining a "Trade Name Registration" in Cape May County.
 - C. Food establishments must include a "Satisfactory Health Inspection Certificate". To schedule a health inspection, call the Cape May County Health Department at (609)465-1209.
 - D. Certain businesses are required to furnish proof of general liability insurance (\$300,000 minimum). These businesses are party boats, marinas, jet ski operations, parasailing operations, boat rentals, marine towing, amusement parks and bike rentals. Call your insurance agent and have them fax a certificate of insurance naming the City of Ocean City as the Certificate Holder, to (609)525-2496. Certificates must have been issued within the last 90 days.
 - E. If you collect sales tax, a copy of your New Jersey sales tax certificate.
 - F. Your check for the correct amount made payable to the *City of Ocean City* if mailing. If paying in person, we also accept credit cards and cash.
 - G. In cases of extensive renovations, a copy of the Certificate of Occupancy or Code approvals may be required.
 - H. If you are a public charity or private foundation exempt under section 501(c) (3), you must provide a copy of your determination papers.

Hi Charles:

Yes, you can add the Diamond Mowers 40" Rotary cutter to your existing Diamond Boom Mower. It is a fairly simple process to do . It requires removing the 2 pins on the mounting bracket and changing over the hydraulic fittings.

Central Jersey Equipment is the new Diamond Mowers dealer in your area. I will have them contact you and get you a Sourcewell (NJPA) quote.

Subject: Rotary head

Good Morning,

We purchased a Diamond boom 16 ft (flail) mower. Inquiring if its possible to change the head to a rotary (40") and how difficult it is. We may be taking on shared services and we need to have the ability to have both heads (Ditches/reeds/grass and larger trees).

The flail has performed flawlessly and leaves a really nice cut. But we do not want to tear it up cutting trees and the rotary head we had before (Rhino) left a horrible cut in the grass areas, and not to clean elsewhere either.

Thanks for any ideas/help you can give

So when you said that dave haaf told you that all the properties on pease lane are currently registered as rental properties was that via phone, email, letter, or in person and on what date did he tell you that? It would help me as i would like to know what to specifically request so i can further understand why Hopewell has been trying so hard to mislead me about these properties for the last year.

I believe you attached the wrong item as this is no longer a valid registration as 2018 is over, section 6 of ordinance 15-10 clearly states that it is an annual registration to be completed on or before march 31 of each year. Also only one item was attached their are multiple properties being actively rented on Pease lane. You have said that dave haaf is responsible for the inspection and the township meetings have indicated for many months now residents have been making complaints about the illegal occupancy on these properties,when will you start doing the legally required inspections? i have seen their have been over 19 different tenants in the last 4 months and not a single inspection from a township officer which seems like a major violation you guys are allowing to continue. the previously attached registration from 2018 says 66 pease lane is a 4 bedroom house , the ordinance regulating housing would indicate the maximum occupancy for renting would be 8 persons and 75 pease lane as 6 persons as it only a 3 bedroom correct?

So why do the minutes reflect you telling the land use board that the buildings have CO's limiting occupancy? That statement seems to be very misleading in the minutes. Who is the housing officer? Can you supply a copy of the rental registrations for these proprieties as i had requested those and was told they hadn't been registered by the

prior clerk or do i need to talk to the housing officer directly? Your meeting minutes reflect that the township is aware that these proprieties having been regularly illegally rented for months now, why isn't the township pursuing violations as your Ordinance Regulating Rental Housing # 15-10 clearly states that registering the property doesn't grant permission to rent and that it is the issuance of Housing Permit which is only issued upon compliance with the ordinances sub sections .

These minutes state that you said their are CO's on all the buildings on Pease lane limiting the maximum occupancy. I have requested these documents many times and the various clerks over the time have always refused to provide them stating no such certificate exists. Since you have stated on the record they indeed do have CO's on these building please promptly supply me copies of them

Hello,

We do vacant property registrations for mortgage companies and have left a couple messages for your code enforcement, however, we have not received any return

response. Can you help me with this or please direct me to the correct person to discuss your ordinance. The property at 12 Center Lane is registered with your office. We are reaching out to determine if there is a renewal? Is it annual or otherwise? What is the renewal fee, if applicable?

Thank you

June 28, 2019

8:00 a.m. – 1:00 p.m.

Successful, proactive road safety improvement plans depend on the accuracy of data collected at crash scenes. Each year, the New Jersey Department of Transportation (NJDOT) collects approximately 300,000 crash reports from law enforcement agencies that can be uploaded into crash analysis systems like the Crash Analysis Tool (CAT). However, many of these reports are submitted with incomplete or incorrect information, which can negatively impact the effectiveness of data-driven crash reduction efforts. The course reviews common NJTR-1 errors for both passenger and commercial motor vehicle crashes and offers methods to improve the quality of data that safety colleagues rely on. Crash analysis software functions and the process of moving data from crash report to computer also will be discussed.

Police Work Zone Safety Train-the-Trainer

April 16-19, 2019

June 18-21, 2019

8:00 a.m. – 4:00 p.m.

This training is designed to ensure that pedestrian facilities and access routes, in particular curb ramps, along our roadways are properly design and constructed for all individuals, including those with disabilities. This training was developed to provide information and best practices for those involved in the design and maintenance of curb ramps and pedestrian facilities, and for those individuals that ensure the compliance to applicable accessibility laws and guidelines.

Work Zone Safety Awareness for Local Police

April 24, 2019

June 27, 2019

8:00 a.m. – 4:00 p.m.

This course, similar to our Work Zone Safety Awareness Program, is specifically being offered to current New Jersey law enforcement officers who require an overview of working safely in the roadway. This course does not replace the Police Work Zone Safety Train The Trainer Course. As new or veteran law enforcement officers are frequently required to assist with short-term work zones or are assigned to long-term projects. There are no allowances for errors when working next to traffic, so it is important for personnel to have a solid understanding of work zone safety compliance with the national MUTCD standards. Also, the roles of workers and enforcement personnel at work sites, differences between NJDOT and local projects, and legal responsibilities in work zones will be addressed during this program.

Work Zone Safety Awareness for Local Police Refresher

May 30, 2019

8:00 a.m. – 1:00 p.m.

This course provides a review of the 2009 Manual on Uniform Traffic Control Devices (MUTCD) and includes a brief overview of federal changes, worker safety considerations, sign placement, and special considerations for local and state roadways. This course is intended for law enforcement officers who have previously completed the 4-day Police Work Zone Safety Train the Trainer program or the 1-day Work Zone Safety Awareness for Local Police workshop; it is not an alternate to the Traffic Control Coordinator Refresher course.
