Today marks one decade since Brendan
Tevlin was taken from our community
in a cruel act of hatred. A lot has
changed in that decade. A memorial
and field commemorates his legacy and
inspires children to achieve
excellence in sports through
competition and sportsmanship. Yet a
family will still always be without
their son.

We also thank the investigators of
the NJ PBA 325 Homicide Task Force,
the Livingston NJ Police Department,
and West Orange NJ Police Department
for their diligence and effort in
bringing the person who took Brendan
from us to justice.

A Successful Community Event on Safety and Civic Engagement!

The Livingston Chinese Association (LCA) and Livingston NJ Police Department co-hosted an incredibly successful community event on June 19th, focused on safety and civic engagement. Held at the LPD training room, this event, funded by a grant from AAPI Montclair, empowered our community with essential safety tips, introduced various services and programs, and provided insights into current public safety issues.

A big thank you to Chief Gary Marshuetz and his dedicated team! Chief Marshuetz's powerful and inspiring speech set a great tone for the evening. Officer Sean Whalen's flawless coordination, Officer Joy Klupal's thorough presentation, and Detective David Cordero's heartfelt advice and patient explanations made the event truly impactful. We were also delighted to meet Officer Kevin Chen, a newly recruited Livingston resident and LHS graduate who speaks Chinese. Captain Mueller's supportive presence was greatly appreciated.

We had about 50 participants, and the Q&A session was a hit with many insightful questions and detailed answers. The Chinese community felt safe and grateful for the support and efforts of Chief Marshuetz and his team.

The event also provided the LPD a platform to promote their September Community Block Party (previously known as National Night Out), and their Junior and Senior Citizen Academies.

A special shoutout to Councilman Michael Vieira for addressing the community and supporting our event, and to local business Dozo Sushi for sponsoring the event with delicious gourmet sushi, fried dumplings, and fresh fruits.

This successful partnership between LCA and LPD highlights our ongoing commitment to fostering a stronger and safer community for all. We look forward to continuing these impactful efforts in the future.

Our thanks go out to the Livingston PBA Local #263 for their much appreciated donation. On Thursday CPU Officer Sean Whalen, Patrolman Chris Wagner, Detective Adam McDavitt and Patrolman Trevor Tironi visited Academy360 Upper School to present a check for \$2,500! Through their annual Summerfest and charity golf outing, the local raises money to benefit local organizations such as Spectrum360. Since 2018, they have generously contributed more than \$13,000 to our programs and services. Thank you so much for your support!

Yesterday, several of our Officers (and one intern!) participated in this year's Law Enforcement Torch Run for the NJ Special Olympics. Officers from Livingston NJ Police Department and East Hanover Police Department passed the torch, literally, to our group of Florham Park Police and N.J. Division of Criminal Justice Investigators. It was pretty awesome seeing all the kids from Brooklake and Briarwood Schools outside cheering us on! We then met up with the Madison NJ PBA 92 and passed to torch to them. A beautiful day for a great cause!!

UI Rehab - New Jersey to
Livingston NJ Police
Department
May 23 2024 07:10 PM

It wasn't enough to host the Livingston Police Department at our Day Program last week - the clients wanted to visit their headquarters to see how the police force operates and organizes from their home base. This was the second of three visits planned, and the officers were extremely warm in welcoming our clients into their world. The clients were able to tour the entire facility, receive honorary badges, and take photos with the officers on duty. They even got to see what the inside of a jail cell looks like (scary!)

Thanks as always to the Livingston NJ Police Department! You all rock!

Thank you to the Livingston NJ Police Department for spending some time at our Livingston Day Program on Friday during our Police and EMS appreciation event. We could never properly thank them for all they have done for our clients, but that doesn't mean we won't try our best anyway

On Friday, we hosted the Livingston Police as a way to say thank you for their selfless service and their constant support of our facility. The clients absolutely loved throwing this event; they spent weeks making posters, hats, decorations, signs, and cardboard cutouts to display their appreciation for the officers and EMS workers. The police officers were given a special poster which was created and signed by at least 50 clients and staff members, all with their own messages of gratitude for the police department. The clients also had the chance to ask the officers questions about their jobs and experiences during a live Q&A session, which was one of the clients' favorite part of the day.

Everyone had so much fun during this event - and a special thank you to our Enrichment Team and the therapists of our TRU department for making this day so spectacular.
