Re: OPRA Request 17.11-286

Requestor:

My office is in receipt of your OPRA request dated November 19, 2017 and received November 20, 2017. Regarding your enumerated request, we anticipate fulfilling your requests for Item(s) #1, #2, #3, #4 and #5 by December 8, 2017. Please be advised that your request for annual summary reports from 2014 through 2017 will include annual reports up to and including 2016. The 2017 calendar year has not ended and thus, annual reports for that year have not been generated.

Your request for record(s) in Item #6 is vague, overly broad and does not meet the requirements of a proper OPRA request. The OPRA statute requires that specific record(s) or document(s) be requested. "Training" does not define a record or document to be searched for, and subsequently produced for disclosure if applicable. Your request as defined in Item #6 is denied. If you would like to redefine your request please feel free to contact us anytime and we will assist you in fulfilling such request, if applicable.

Sincerely,

Captain J.T. Miller
