BUILDING SEARCHES

#1 (Gym) - Decoy inside a closet. Handler made warning announcement prior to deploying the canine into the room. Canine indicated on the door by barking and scratching. Handler opened the door and canine made the apprehension without incident. Distractions used in this search were loud noises and other handlers present.

#2 (Room #7) - Decoy was inside the bathroom (small dark room). After the warning announcement was made canine was deployed from outside of the door. Canine indicated by barking and scratching. Handler opened the door and canine made the apprehension.

BOX SEARCHES: (No equipment used PD-1 Style Search)

Canine located the decoy by barking and scratching at the box. Canine was called back to the Handler and Handler identified the correct box.

K9 Team worked well together and passed this block of patrol in-service with no reported problems.
