Re: OPRA Response

As per your clarification response to #6 on your initial OPRA request :

#6 As per your request that you are seeking The Annual Basic Police Academy Training, this department did not send anyone or any police officers to the Police Academy this year.

1). As per your request for annual firearms re-qualification training please find the document/documents you have requested attached to this response letter.

2). As per your request for use of force training please find the document/documents you have requested attached to this response letter.

3) As per your request for vehicular pursuit training please find the document/documents you have requested attached to this response letter

4) As per your request for domestic violence training please find the document/documents you have requested attached to this response letter.

5) As per your request for bias intimidation crimes training please find the document/documents attached to this response letter.

6) As per your request for Breathalyzer Training. Our Departemnt does not have The Breathalyzer. This item does not exist.

7) As per your request for 911 and call-taker training. Our department is not a 911 emergency telecommunication system. This document/documents does not exist here.

8) As per your request for K9 training we currently have one officer and K9 currently in the academy and his training is not complete.

9) As per your request for Re-certifications certificates. We do not have re-certification certificates given to officers for any of the annual training outlined here as these are power point presentations.
