Semi-Annual Use of Force Training

In accordance with the Attorney General Guidelines of the State of New Jersey, as well as the Standard Operating Procedures for the Franklin Borough Police Department, semi-annual training on the lawful and appropriate use of force and deadly force has been provided to all officers of the Franklin Borough Police Department on the dates listed below. The training was designed to reflect current standards established by statutory and case law, as well as statewide, county and individual agency policy. It included, but was not limited to the use of force in general, the use of physical and mechanical force, the use of deadly force, the limitations that govern the use of force and deadly force, the completion of Use of Force Reports, notifications and reporting.

Semi-Annual Use of Force Training

In accordance with the Attorney General Guidelines of the State of New Jersey, as well as the Standard Operating Procedures for the Franklin Borough Police Department, semi-annual training on the lawful and appropriate use of force and deadly force has been provided to all officers of the Franklin Borough Police Department on the dates listed below. The training was designed to reflect current standards established by statutory and case law, as well as statewide, county and individual agency policy. It included, but was not limited to the use of force in general, the use of physical and mechanical force, the use of deadly force, the limitations that govern the use of force and deadly force, the completion of Use of Force Reports, notifications and reporting.
