144 Crash Diagram (NOT TO SCALE)

145 Crash Description/Narrative

Vehicle 2 was parked faced in (east) and unoccupied in a designated parking space of 301 W Sylvania Ave (Brighton Arms III). Vehicle 1 was traveling south through the parking lot of 301 W Sylvania Avenue when it began to make a left turn and subsequently crashed into the rear driver side of Vehicle 2. More specifically, the front driver side of Vehicle 1 crashed into the rear driver side of Vehicle 2. The force of the impact caused vehicle 2 to be pushed forward into the curb. The front bumper of Vehicle 2 was pushed into the grass and the front tires were slightly raised off the ground. As a result Vehicle 2 also sustained damage to the front end. After the initial impact, Vehicle 1 reversed and left the area, last seen heading towards the Brighton Arms III apartment complex entrance/exit.

A witness account corroborated with the complex's video surveillance footage which showed the actions mentioned above. It appears the driver of Vehicle 1 may have been either attempting to maneuver a K-turn or pull into the parking space to the left of Vehicle 2 when the crash occurred however the intentions of Driver 1 are unknown at this time. At this time Vehicle 1 is described only as a dark colored sedan with the driver remaining unidentified.
