PRIVATE PARTY PARKING LOT
116 3RD AVENUE

145 Crash Description/Narrative

I responded to the scene of a motor vehicle accident that occurred within the private party parking lot of 116 3rd Avenue. Vehicle #1 was parked, facing west attempting to back out of a parking space. Vehicle #2 was traveling northbound through the parking lot awaiting another vehicle to exit a parking space. As the uninvolved vehicle was exiting the parking space, Vehicle #2 came to a stop directly behind Vehicle #1. Unaware that Vehicle #2 was behind him, Driver #1 began backing out of the parking space. As a result, the trailer hitch located on the rear bumper of Vehicle #1 collided with the rear driver side door of Vehicle #2. Vehicle #1 did not sustain any visible damage as a result of the collision. Vehicle #2 sustained major dents to its respective point of impact. Driver #1 and Driver #2 did not complain of or have any visible signs of injury, both refused medical attention.
