145 Crash Description/Narrative

Box 118A: Driver 1 was unable to stop on time due to the icy road conditions from a snow/rain mixture.

Vehicle 1 was travelling west on West Sylvania Ave. Vehicle 2 was stopped on West Sylvania Ave with it's left turn signal activated waiting to turn left into the driveway of his home, 213 West Sylvania Ave. Driver 1 realized that Vehicle 2 was stopped, and attempted to stop his vehicle, but was unable to due to the icy conditions. While braking, Vehicle 1 continued to travel on West Sylvania Ave and Vehicle 1's front driver side collided with Vehicle 2's rear bumper causing damage to the respective areas. Vehicle 1 then continued to travel west and mounted the curb on West Sylvania Ave before coming to a stop.

During the collision, Vehicle 1's driver side airbag deployed. The Neptune Township First Aid responded, however Driver 1 refused medical attention. Driver 2 did not have any injuries. Due to the disabling damage, Bennett's Auto Recovery responded and towed the vehicle to Jost Collision LLC.
