145 Crash Description/Narrative

Box 24: Policy #: RRG 10452-17
Box 25: Insurance Code: SI-54 (Diocese of Trenton Self Insured Program)

I responded to the scene of a motor vehicle accident involving (2) vehicles. Vehicle #1 was traveling westbound along W Sylvania Avenue approaching the intersection of Brighton Avenue. Vehicle #2 was traveling eastbound along W Sylvania Avenue approaching the intersection of Brighton Avenue. As both Vehicle #1 and Vehicle #2 approached Brighton Avenue, the traffic signal was green, indicating both vehicles to proceed. Vehicle #1 was attempting to perform a right hand turn, northbound onto Brighton Avenue approaching SR-33. Vehicle #2 was attempting to perform a left hand turn, northbound onto Brighton Avenue approaching SR-33. Brighton Avenue (northbound of W Sylvania Ave) is equipped with (3) turning lanes.

After successfully completing a turn, Vehicle #2 was positioned in the left turning lane (furthest most west lane). Simultaneously, as Driver #1 made his turn, he subsequently failed to maintain his turning lane, crossing (2) lanes before attempting to gain access to the left hand turning lane. This action resulted in the driver-side bumper end of Vehicle #1 colliding with the passenger-side door panel/rocker panel of Vehicle #2. Vehicle #1 sustained minor scratches to its respective point of impact. Vehicle #2 also sustained minor scratches to its respective point of impact.

Driver #1 and Driver #2 did not complain of or have any visible signs of injuries, both refused medical attention. The (2) juvenile passenger's inside Vehicle #2 (both in rear facing child restraints) did not appear to sustain any injuries, Driver #2 refused medical attention on behalf of both juveniles.
