145 Crash Description/Narrative

While responding to assist the Avon Police Department with a call for service, I observed glass in the roadway on the ramp from State Route 35 Southbound to Sylvania Avenue. After clearing from the call in Avon, I responded back to the ramp to see what had happened. Upon arriving, I observed that the glass was the from a light pole that was struck by a vehicle. I also observed tire marks in the grass on the east side of the ramp. I located a Honda emblem and a piece of a bumper near the light pole. Since both pieces of the vehicle had no evidential value, they were not collected as evidence.

After further investigation, it appeared that the vehicle was traveling south on Route 35. The vehicle entered the ramp to Sylvania Avenue. While negotiating the left curve on the ramp, the vehicle struck the curb and left the roadway. The vehicle then traveled on the grass median and struck a light pole. The vehicle then reentered the roadway continuing into Avon.

A notice was put out to surrounding towns to be on the look out for a gray Honda with front end damage to both its drivers side and passenger side. The light pole that was damaged was reported to the NJDOT by dispatch.
