144 Crash Diagram (NOT TO SCALE)

145 Crash Description/Narrative

Box #55 V2's NJ insurance code is 365 (Geico).

As per D2, V1 is described as a black sedan (unknown make/model/registration).

V2 was stopped at the traffic signal located at the intersection of W.Sylvania Avenue / Brighton Avenue facing west. As V2 was stopped, V1 struck the rear bumper of V2. V1 was traveling west behind V2 approaching the W.Sylvania Avenue / Brighton Avenue intersection. After the collision, V1 left the scene.

V2 sustained minor damage to the rear bumper, and there were no reported injuries by D2.

I responded to the Exxon Gas Station (1 Brighton Avenue) to try and obtain video surveillance. I made contact with staff who was able to access the businesses surveillance system that covers the intersection of W.Sylvania Avenue / Brighton Avenue. However, due to the cameras distance from the business to the aforementioned intersection, as well as it being dark outside during the incident time, I was unable to obtain a registration for the accused vehicle on the businesses video surveillance system.
