145. Crash Description/Narrative

Vehicle 1 (V1) was traveling south on River Road when it made a right turn onto Sunburst Drive westbound. V1 failed to maintain its lane and drifted over onto the eastbound side of Sunburst Drive before striking the curb with its front passenger side tire. V1 struck the curb and ran off the roadway left before striking a pole with its front end. Driver of V1, Jina A. Ghebreial, stated that she was going too fast and could not make the right turn properly. Ghebreial stated that she did not realize she had to turn there and still tried to make the turn. Ghebreial had a small abrasion on her forearm/wrist, but she refused medical attention.

My investigation reveals that V1 was traveling at an unsafe speed and failed to maintain its lane causing the crash.

At this time, V1 accelerated and drove straight through the intersection and collided into the fence of Irwin School (75 Racetrack Road). This caused moderate damage to a significant portion of the fence. V1 left the scene after the collision and did not report it. Investigation revealed the same. 145. Crash Description/Narrative

Vehicle 1, an East Brunswick Police Department vehicle being operated by an on duty East Brunswick Police Officer, was traveling south on Ryders Lane near Hollis Road. The driver of vehicle 1 was responding to an emergency call for service in which a child was drowning in icy waters. Vehicle 1 had its emergency lights and sirens activated while proceeding to the call. Vehicle 1 was operating under emergency response conditions. There was moderate traffic on Ryders Lane, and vehicle 1 was utilizing a painted center median to pass the vehicles that were yielding to his lights and sirens. One of the yielding vehicles pulled to the side of the Ryders Lane and partially onto Hollis Road.

At this time, vehicle 2 attempted to make a left turn onto Ryders Lane northbound from Hollis Road. Driver 2 then stopped in the middle of the road in vehicle 1's path of travel. Vehicle 1 attempted to make an evasive maneuver to the right but was unable to avoid the collision. The driver of vehicle 2 stated that she looked both ways and did not hear or see vehicle 1. She stated that it was not until she began her turn that she saw the police vehicle and "panicked"

I obtained and viewed Mobile Video Recorder footage from vehicle 1 (police vehicle unit 308), East Brunswick Police vehicle unit 309 (directly behind vehicle 1), and East Brunswick Police Vehicle unit 326 (directly

145. Crash Description/Narrative

V1 was traveling west on the throughway of 50 Racetrack Rd., when V1 was struck in the passenger side doors by V2. Driver one stated that she saw V2 cutting across the parking lot prior to the collision.

Driver two stated that she was pulling out of a parking spot when V2 struck her vehicle. Driver two stated that V1 came flying through the parking lot.

My investigation reveals that failing to yield to traffic on the part of driver two contributed to the cause of the collision.

145. Crash Description/Narrative

Vehicle 2 was making a left turn in front of Aldi Grocery Store located at 50 Racetrack Road. While making the left turn driver 2's vision was compromised by sun glare. A pedestrian was exiting the Aldi Grocery Store and crossing the street in a marked cross walk. Vehicle 2 struck the pedestrian's shopping cart causing her to fall to the ground. There was no visible sign of damage to vehicle 2 or the shopping cart.

Driver 2 stated while making a slow and cautious left turn there was sun glare obstructing his vision. He observed a pedestrian crossing the street at the last second and applied his brakes immediately. Driver 2 admitted to striking the shopping cart of the pedestrian.

The pedestrian stated she believes driver 2 was traveling at a high rate of speed. The pedestrian suffered from pain in left wrist and upper right leg. I requested RWJ EMS to evaluate the pedestrian, who refused medical attention.

My investigation concluded driver 2 was as at fault for striking the shopping cart and causing the pedestrian to fall while she was in the crosswalk. Witness confirmed driver 2 was traveling cautiously and did not strike the pedestrian, only her shopping cart. I observed the sun glare from driver's 2 point of view and confirmed his vision was obstructed.

145. Crash Description/Narrative

Vehicle one (V1) was traveling north on Highway 18 in the right hand lane near the intersection with Arthur Street. While he was slowing down for traffic at a red traffic signal, V1 was struck from behind by another vehicle (V2). After the collision, the driver of V1 stated V2 immediately left the scene. The driver of V1 stated that the vehicle left so fast that he was unable to obtain the registration of the vehicle. The driver of V1 stated he believed it was a dark colored Nissan Cube that struck his vehicle. There was no evidence left on scene that would assist in identifying V2. The investigation revealed V2 failed to apply the brakes in enough time to avoid the collision with V1 and then fled the scene of the collision. No further action.

145. Crash Description/Narrative

Vehicle One was traveling north on Route 18 in the right lane. Vehicle Two was traveling north on Route 18 in the center lane, approximately one car length ahead of Vehicle One. As Vehicle Two approached the Milltown Road exit ramp, it attempted to exit Route 18 from the center lane, but failed to observe Vehicle One in close proximity in the right lane. During the lane change, the front passenger side fender and door of Vehicle Two crashed into the front driver side fender of Vehicle One. Vehicle One then continued on to hit the curb in the Milltown Road exit ramp.

145. Crash Description/Narrative

My investigation revealed that vehicle # 1 was traveling South on Cranbury Road. Vehicle # 2 was behind vehicle # 1. Vehicle # 1 came to a stop in traffic, at which time, it was struck in the rear bumper by vehicle # 2. After the collision, vehicle # 2 fled the scene and failed to report the accident, but not before driver # 1 got the plate and driver description. As a result of the collision, vehicle # 1 sustained damage to rear bumper and trunk area of the vehicle which houses a spare tire. The damage to vehicle # 2 was not observed by myself due to driver # 2 fleeing the scene. With provided registration information, driver # 2 was able to be tracked down and confirmed to be the operator of vehicle # 2 during the time the accident occurred. Driver # 2 advised that he did not feel the collision, so after the contact was made, he drove around vehicle # 1. Driver # 2 advised that vehicle # 1 followed him through a light and he left the area.

145. Crash Description/Narrative

My investigation revealed that vehicle # 1 was stopped in traffic on Renee Road. Vehicle # 2 was turning onto Renee Road from Tices Lane. While turning, vehicle # 2 struck vehicle # 1 and fled the area into the Royal Gardens Parking Lot. As a result of the collision, vehicle #1 sustained damage to the driver's side door area. Vehicle # 2 sustained damage to the driver's side front bumper. Vehicle # 1 followed vehicle # 2 into said lot and had an encounter with the driver. Driver # 1 stated that driver # 2 said "he was being chased by people and Officer Cassidy was chasing him as well. Driver # 1 reported that driver # 2 grabbed a bunch of papers from his car and ran to apartment # 44 and went inside. Driver # 1 advised that there was no one chasing him and in fact there was no one in the area where the accident occurred.

Upon receipt of that information, I provided the vehicle's plate information to dispatch. A short time later, dispatch confirmed that driver # 2 lived at the above location. I made contact with driver # 2 and confirmed that he was in fact the driver of the vehicle.

145. Crash Description/Narrative

Vehicle 2 (V2) was stopped at a red traffic signal on Highway 18 southbound in the fourth lane from the left, at the intersection with Naricon Place, when it was struck in the rear by vehicle 1 (V1). V1 was traveling on Highway 18 southbound in the third lane from the left, approaching the intersection with Naricon Place, when it changed lanes to the right and struck V2 in the rear. Driver of V1, Victor E. Mendoza, stated that he did not remember what happened. An independent witness on scene stated that he observed V1 strike the rear of V2 and that V1 never applied the brakes.

My investigation reveals that V1 made an unsafe lane change and the driver was not wearing a seat belt.

145. Crash Description/Narrative

Vehicle 1 was traveling south on Cranbury Road and was stopped in traffic. Vehicle 2 was traveling south on Cranbury Road following vehicle 1. Vehicle 2 failed to come to a stop and struck vehicle 1 in the passenger side bumper. Vehicle 2 continued driving and failed to report the accident.

Driver 1 stated she was stopped in traffic when vehicle 1 struck her passenger side rear bumper.

My investigation found vehicle 2 at fault for the accident. I checked the local business for surveillance video and was able to capture the accident on Central Elementary School surveillance video camera. Vehicle 2 was a new model Gray Ford Explorer. I was unable to capture a registration number from the surveillance video.
